The Department of State Advisory Committee on Private International Law (ACPIIL) will be holding a public meeting to continue to discuss the treatment of IP-secured financing practices in the UNCITRAL Draft Legislative Guide on Secured Transactions (Guide). At the 40th Session of the UNCITRAL in December 2007, the Commission adopted a legislative guide on secured transactions, including recommendations dealing with the scope of the Guide as it relates to IP law and secured financing, as well as the inclusion in the commentary to the Guide of explanatory statements on the treatment of IP as secured financing. A third session of that work project is scheduled for April 27-May 1, 2009 in New York. The ACPIIL will use this public meeting to continue to exchange thoughts on the relationship between secured finance and IP and how this matter should be addressed in the new draft IP annex to the Guide. The report of the first two sessions of the working group and the papers prepared by the Secretariat for the next session of the working group can be obtained at http://www.uncitral.org/uncitral/en/commission/working_groups/6Security_Interests.html.
