ENVIRONMENTAL PROTECTION AGENCY

[EPA-HQ-OPP-2014-0558; FRL-9919-04]

Proposed Removal of Certain Inert Ingredients From Approved Chemical Substance List for Pesticide Products; Extension of Comment Period

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice; extension of comment period.

SUMMARY: EPA issued a notice in the *Federal Register* of October 22, 2014, concerning the removal of certain chemical substances from the current listing of inert ingredients approved for use in pesticide products because the inert ingredients are no longer used in any registered pesticide product. This document extends the comment period for 60 days, from November 21, 2014, to January 20, 2015. Pesticide registrants and other stakeholders potentially impacted by the EPA proposal requested an extension on the comment period stating that more time was needed to confirm the chemical substances against the registrations. EPA grants the extension request to provide stakeholders with sufficient time to conduct the necessary record verifications.

DATES: Comments, identified by docket identification (ID) number EPA-HQ-OPP-2014-0558, must be received on or before January 20, 2015.

ADDRESSES: Follow the detailed instructions provided under **ADDRESSES** in the *Federal Register* document of October 22, 2014 (79 FR 63120) (FRL-9916-22).

FOR FURTHER INFORMATION CONTACT: Cameo G. Smoot, Field and External Affairs Division (7506P), Office of

Pesticide Programs, Environmental Protection Agency; 1200 Pennsylvania Ave. NW., Washington DC 20460-0001; telephone number: (703) 305-5454; email address: smoot.cameo@epa.gov.

SUPPLEMENTARY INFORMATION: This document extends the public comment period established in the *Federal Register* document of October 22, 2014. In that document, EPA solicits comment from stakeholders on EPA's proposal to remove 72 inert ingredients from the approved chemical substance list for pesticide products. EPA is hereby extending the comment period, which was set to end on November 21, 2014, to January 20, 2015.

To submit comments, or access the public docket, please follow the detailed instructions provided under **ADDRESSES** in the *Federal Register* document of October 22, 2014. If you have questions, consult the person listed under **FOR FURTHER INFORMATION CONTACT**.

FEDERAL COMMUNICATIONS COMMISSION

[OMB 3060-0754, 3060-0249, 3060-0568, 3060-0716]

Information Collections Being Reviewed by the Federal Communications Commission

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501-3520), the Federal Communications Commission (FCC or Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collections. Comments are requested concerning: Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of

information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

DATES: Written PRA comments should be submitted on or before January 26, 2015. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Cathy Williams, FCC, via email PRA@fcc.gov and to Cathy.Williams@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Cathy Williams at (202) 418-2918.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-0754.

Title: Children's Television

Programming Report: FCC Form 398.

Form Number: FCC Form 398.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities.

Number of Respondents and Responses: 1,962 respondents; 7,848 responses.

Estimated Time per Response: 12 hours.

Frequency of Response: Recordkeeping requirement; Quarterly reporting requirement.

Obligation To Respond: Required to obtain or retain benefits. The statutory authority for this collection is contained in Sections 154(i) and 303 of the Communications Act of 1934, as amended.

Total Annual Burden: 94,176 hours.

Total Annual Cost: \$4,708,800.

Privacy Act Impact Assessment: No impact(s).

Nature and Extent of Confidentiality: There is no need for confidentiality with this collection of information.

Needs and Uses: Commercial full-power and Class A television broadcast stations are required to file the Children's Television Programming Report, FCC Form 398 each calendar quarter. FCC Form 398 is a standardized form that provides a consistent format for reporting the children's educational

television programming aired by licensees to meet their obligation under the Children's Television Act of 1990 (CTA) and facilitates efforts by the public and the FCC to monitor compliance with the CTA.

Commercial full-power and Class A television stations are required to complete FCC Form 398 each calendar quarter and to place the form in the station's public inspection file. Stations must also file the form each quarter with the Commission. Stations use FCC Form 398 to report, among other things, the core children's educational and informational programs the station aired the previous calendar quarter and the core programs they plan to air in the upcoming calendar quarter. FCC Form 398 also includes a "Preemption Report" that must be completed for each core program that was preempted during the quarter. This "Preemption Report" requests information on the date of each preemption, the reason for the preemption and, if the program was rescheduled, the date and time the program was re-aired.

Privacy Impact Assessment(s): No impact(s).

Needs and Uses: 47 CFR 74.781 requires the following:

(a) The licensee of a low power TV, TV translator, or TV booster station shall maintain adequate station records, including the current instrument of authorization, official correspondence with the FCC, contracts, permission for rebroadcasts, and other pertinent documents.

(b) Entries required by § 17.49 of this Chapter concerning any observed or otherwise known extinguishment or improper functioning of a tower light:

(1) The nature of such extinguishment or improper functioning.

(2) The date and time the extinguishment or improper operation was observed or otherwise noted.

(3) The date, time and nature of adjustments, repairs or replacements made.

(c) The station records shall be maintained for inspection at a residence, office, or public building, place of business, or other suitable place, in one of the communities of license of the translator or booster, except that the station records of a booster or translator licensed to the licensee of the primary station may be kept at the same place where the primary station records are kept. The name of the person keeping station records, together with the address of the place where the records are kept, shall be posted in accordance with § 74.765(c) of the rules. The station records shall be made available upon request to any authorized representative of the Commission.

(d) Station logs and records shall be retained for a period of two years.

47 CFR 74.1281 requires the following:

(a) The licensee of a station authorized under this Subpart shall maintain adequate station records, including the current instrument of authorization, official correspondence with the FCC, maintenance records, contracts, permission for rebroadcasts, and other pertinent documents.

(b) Entries required by § 17.49 of this chapter concerning any observed or otherwise known extinguishment or improper functioning of a tower light:

(1) The nature of such extinguishment or improper functioning.

(2) The date and time the extinguishment of improper operation was observed or otherwise noted.

(3) The date, time and nature of adjustments, repairs or replacements made.

(c) The station records shall be maintained for inspection at a residence, office, or public building, place of business, or other suitable place, in one of the communities of license of the translator or booster, except that the station records of a booster or translator licensed to the licensee of the primary station may be kept at the same place where the primary station records are kept. The name of the person keeping station records, together with the address of the place where the records are kept, shall

be posted in accordance with § 74.1265(b) of the rules. The station records shall be made available upon request to any authorized representative of the Commission.

(d) Station logs and records shall be retained for a period of two years.

47 CFR 78.69 requires each licensee of a CARS station shall maintain records showing the following:

(a) For all attended or remotely controlled stations, the date and time of the beginning and end of each period of transmission of each channel;

(b) For all stations, the date and time of any unscheduled interruptions to the transmissions of the station, the duration of such interruptions, and the causes thereof;

(c) For all stations, the results and dates of the frequency measurements made pursuant to § 78.113 and the name of the person or persons making the measurements;

(d) For all stations, when service or maintenance duties are performed, which may affect a station's proper operation, the responsible operator shall sign and date an entry in the station's records, giving:

(1) Pertinent details of all transmitter adjustments performed by the operator or under the operator's supervision.

(e) When a station in this service has an antenna structure which is required to be illuminated, appropriate entries shall be made as follows:

(1) The time the tower lights are turned on and off each day, if manually controlled.

(2) The time the daily check of proper operation of the tower lights was made, if an automatic alarm system is not employed.

(3) In the event of any observed or otherwise known failure of a tower light:

(i) Nature of such failure.

(ii) Date and time the failure was observed or otherwise noted.

(iii) Date, time, and nature of the adjustments, repairs, or replacements made.

(iv) Identification of Flight Service Station (Federal Aviation Administration) notified of the failure of any code or rotating beacon light not corrected within 30 minutes, and the date and time such notice was given.

(v) Date and time notice was given to the Flight Service Station (Federal Aviation Administration) that the required illumination was resumed.

(4) Upon completion of the 3-month periodic inspection required by § 78.63(c):

(i) The date of the inspection and the condition of all tower lights and associated tower lighting control devices, indicators, and alarm systems.

(ii) Any adjustments, replacements, or repairs made to insure compliance with the lighting requirements and the date such adjustments, replacements, or repairs were made.

(f) For all stations, station record entries shall be made in an orderly and legible manner by the person or persons competent to do so, having actual knowledge of the facts required, who shall sign the station record when starting duty and again when going off duty.

(g) For all stations, no station record or portion thereof shall be erased, obliterated, or willfully destroyed within the period of retention required by rule. Any necessary correction may be made only by the person who made the original entry who shall strike out the erroneous portion, initial the correction made, and show the date the correction was made.

(h) For all stations, station records shall be retained for a period of not less than 2 years. The Commission reserves the right to order retention of station records for a longer period of time. In cases where the licensee or permittee has notice of any claim or complaint, the station record shall be retained until such claim or complaint has been fully satisfied or until the same has been barred by statute limiting the time for filing of suits upon such claims.

Title: Sections 76.970, 76.971 and 76.975, Commercial Leased Access Rates, Terms and Conditions.

Form Number: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Businesses or other for-profit, State, Local or Tribal Government.

Number of Respondents and Responses: 4,030 respondents; 11,970 responses.

Estimated Time per Response: 2 minutes-10 hours.

Frequency of Response: Recordkeeping requirement; On occasion reporting requirement; Third party disclosure requirement.

Obligation to Respond: Required to obtain or retain benefits. The statutory authority for this collection is contained in Sections 154(i) and 612 of the Communications Act of 1934, as amended.

Total Annual Burden: 59,671 hours.

Total Annual Cost: \$74,000.

Privacy Act Impact Assessment: No impact(s).

Nature and Extent of Confidentiality: There is no need for confidentiality with this collection of information.

Needs and Uses: 47 CFR 76.970(h) requires cable operators to provide the

following information within 15 calendar days of a request regarding leased access (for systems subject to small system relief, cable operators are required to provide the following information within 30 days of a request regarding leased access):

(a) A complete schedule of the operator's full-time and part-time leased access rates;

(b) How much of the cable operator's leased access set-aside capacity is available;

(c) Rates associated with technical and studio costs;

(d) If specifically requested, a sample leased access contract; and

(e) Operators must maintain supporting documentation to justify scheduled rates in their files.

47 CFR 76.971 requires cable operators to provide billing and collection services to leased access programmers unless they can demonstrate the existence of third party billing and collection services which, in terms of cost and accessibility, offer leased access programmers an alternative substantially equivalent to that offered to comparable non-leased access programmers.

47 CFR 76.975(b) requires that persons alleging that a cable operator's leased access rate is unreasonable must receive a determination of the cable operator's maximum permitted rate from an independent accountant prior to filing a petition for relief with the Commission.

47 CFR 76.975(c) requires that petitioners attach a copy of the final accountant's report to their petition where the petition is based on allegations that a cable operator's leased access rates are unreasonable.

Title: Sections 73.88, 73.318, 73.685 and 73.1630, Blanketing Interference.

Form Number: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities; and Not-for-profit institutions.

Number of Respondents and Responses: 21,000 respondents; 21,000 responses.

Estimated Time per Response: 1 to 2 hours.

Frequency of Response: Third party disclosure requirement.

Total Annual Burden: 41,000 hours.

Total Annual Cost: None.

Obligation to Respond: Required to obtain or retain benefits. The statutory authority for this collection of information is contained in Section 154(i) of the Communications Act of 1934, as amended.

Nature and Extent of Confidentiality: There is no need for confidentiality with this collection of information.

Privacy Impact Assessment(s): No impact(s).

Needs and Uses: 47 CFR 73.88 states that the licensee of each broadcast station is required to satisfy all reasonable complaints of blanketing interference within the 1 V/m contour.

47 CFR 73.318(b) states that after January 1, 1985, permittees or licensees who either (1) commence program tests, (2) replace the antennas, or (3) request facilities modifications and are issued a new construction permit must satisfy all complaints of blanketing interference which are received by the station during a one year period.

47 CFR 73.318(c) states that a permittee collocating with one or more existing stations and beginning program tests on or after January 1, 1985, must assume full financial responsibility for remedying new complaints of blanketing interference for a period of one year.

Under 47 CFR 73.88, and 73.685(d), the license is financially responsible for resolving complaints of interference within one year of program test authority when certain conditions are met. After the first year, a license is only required to provide technical assistance to determine the cause of interference. The FCC has an outstanding Notice of Proposed Rulemaking (NPRM) in MM Docket No. 96-62, In the Matter of Amendment of Part 73 of the Commission's Rules to More Effectively Resolve Broadcast Blanketing Interference, Including Interference to Consumer Electronics and Other Communications Devices. The NPRM has proposed to provide detailed clarification of the AM, FM, and TV licensee's responsibilities in resolving/eliminating blanketing interference caused by their individual stations. The NPRM has also proposed to consolidate all blanketing interference rules under a new section 47 CFR 73.1630, "Blanketing Interference." This new rule has been designed to facilitate the resolution of broadcast interference problems and set forth all responsibilities of the licensee/permittee of a broadcast station. To date, final rules have not been adopted.
