

regulatory fees which were filed on-line. Pertinent information will be taken directly from the regulatory fee electronic filing system (Fee Filer) and populated on the FCC Form 159-E, which can be printed by the filer. The FCC Form 159-E, essentially a simple payment voucher, will contain summary information which will distinguish the payment but not detailed information about the fee(s). Specific associated fee information will be available on a separate report which the filer does not need to remit. Beginning with FY 2005 regulatory fees, the FCC Form 159-E must accompany all payments derived from the regulatory fee electronic filing system, except on-line payments, which do not require any paper submission. Payment may be made by check or money order, credit card or wire transfer.

The Commission will use this information to apply credit for the remittance against all regulatory fees within the associated electronic submission. The payment instrument must be in the dollar amount specified on the FCC Form 159-E for full credit to be applied.

Expanded use of the FCC Form 159-E is possible in the future as additional streamlining for this process is implemented. This form may be used in lieu of pre-populated FCC Form 159's which are currently produced to facilitate remittance for various electronic filings. The FCC Form 159-E may, therefore, impact users of all electronic filing systems, as well as users of an FCC bill paying system (currently Fee Filer and the Red Light Display system).

[No. 2004-57]

Shared National Credit Data Collection Modernization Extension of Comment Period

AGENCIES: Office of the Comptroller of the Currency, Treasury (OCC); Board of Governors of the Federal Reserve System (Board); the Federal Deposit Insurance Corporation (FDIC); and the Office of Thrift Supervision, Treasury (OTS) as an assisting agency.

ACTION: Request for comments; extension of comment period.

SUMMARY: On December 20, 2004, the federal banking agencies (Board, FDIC, OCC, and OTS, collectively referred to as "the Agencies") published a proposal for public comment to standardize and expand the data collected from regulated institutions in order to improve the efficiency and effectiveness of Shared National Credit (SNC) examinations. By standardizing and expanding the collection of data, the Agencies will be able to use advanced credit risk analytics that will be beneficial to the reporting banks and the Agencies. The Agencies are extending the comment period to give the public additional time to submit comments on the proposal.

DATES: Comments must be received by April 7, 2005.

ADDRESSES: Because the Agencies will jointly review all of the comments submitted, interested parties may send comments to any one of the Agencies without the need to send comments (or copies) to all of the Agencies. Postal service in the Washington, DC area and
