BILLING CODE 4160-01-S

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Indian Health Service

[Funding Opportunity Number: HHS-2006-IHS-TSGP-0002; CFDA Number: 93.210]

Tribal Self-Governance Program; Negotiation Cooperative Agreement; New Funding Cycle for Fiscal Year 2006

Key Dates: Applications Due—January 20, 2006; Objective Review Committee to Evaluate Applications—March 8–9, 2006; Anticipated Project Start Date—April 1, 2006.

I. Funding Opportunity Description

The purpose of the program is to award cooperative agreements that provide negotiation resources to Tribes interested in participating in the Tribal Self-Governance Program (TSGP) as authorized by Title V, Tribal Self-Governance Amendments of 2000 of the Indian Self-Determination and Education Assistance Act of Public Law (Pub. L.) 93-638, as amended. The TSGP is designed to promote self-determination by allowing Tribes to assume more control of Indian Health Service (IHS) programs and services through compacts negotiated with the IHS. The Negotiation Cooperative Agreement provides Tribes with funds to help cover the expenses involved in preparing for and negotiating with the IHS and assists eligible Indian Tribes to prepare for Compacts and Funding Agreements (FAs) with an effective date of October 1, 2006, or January 1, 2007.

The Negotiation Cooperative Agreement provides resources to assist Indian Tribes to conduct negotiation activities that include but are not limited to:

- Analysis of the complex IHS budget to determine what programs, services, functions, and activities (PSFAs) will be negotiated.
- Development of the terms and conditions that will be set forth in a Compact and Funding Agreement (FA).
- Consultant costs such as Attorney or Financial Advisors.
- Communication Costs.
- Identification of Tribal shares that will be included in the FA.

The award of a Negotiation Cooperative Agreement is not required as a prerequisite to enter the TSGP. Indian Tribes that have completed comparable health planning activities in previous years using tribal resources but have not received a Tribal self-governance planning award are also eligible to apply. Applicants must provide a statement that the planning phase has been conducted to the satisfaction of the Indian Tribe and must include: (a) Legal and budgetary research; and (b) internal Tribal government planning and organizational preparation relating to the administration of health programs.

II. Award Information

Type of Award: Cooperative Agreement.

Estimated Funds Available: The total amount identified for Fiscal Year (FY) 2006 is \$240,000 for approximately twelve (12) Tribes to enter the TSGP negotiation process for compacts beginning in Fiscal Year (FY) 2007 or Calendar Year (CY) 2007. Awards under this announcement are subject to the availability of funds.

Anticipated Number of Awards: The estimated number of awards to be funded is approximately 12.

Project Period: 12 months.

Award Amount: \$20,000 per year.

Programmatic Involvement: IHS TSGP funds will be awarded as cooperative agreements and will have substantial programmatic involvement to establish a process through which Tribes can effectively approach the IHS to identify programs and associated funding which could be incorporated into programs.

The IHS roles and responsibilities will include:

- Identification of IHS staff that will consult with applicants on methods used by the IHS to manage and deliver health care.
- Provide applicants with a list of laws and regulations that provide authority for the various IHS programs.
