SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-66848; File No. SR-NASDAQ-2012-052]

Self-Regulatory Organizations; The NASDAQ Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to SQF and BONO Port Fees and Account Fees

April 23, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 18, 2012, The NASDAQ Stock Market LLC ("NASDAQ" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by NASDAQ. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to modify Chapter XV, Options Pricing, Section 3, as well as to add an account fee ("Account Fee") via Section 9, of the Options Rules portion of the NASDAQ

Rulebook governing pricing for NASDAQ members using The NASDAQ Options Market ("NOM"), NASDAQ's facility for executing and routing standardized equity and index options.

While fee changes pursuant to this proposal are effective upon filing, the Exchange has designated these changes to be operative on May 1, 2012.

The text of the proposed rule change is available on the Exchange's Web site at <http://www.nasdaq.cchwallstreet.com>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this filing is to recoup some of the costs associated with SQF and BONO ports, as well as to assess a new fee to recoup some of the monthly billing and processing costs associated with participant accounts.

With respect to the proposed SQF port fee ("SQF Port Fee"), initially for which there was no charge,³ the Exchange believes that it is now reasonable to assess the proposed fee because the Exchange is no longer seeking to specifically incentivize market makers to connect to NOM 2.0. Additionally, the proposed SQF Port Fee is less than the range of port fees that are assessed today by NOM,⁴ as well as within the range of Port Fees currently charged by NASDAQ OMX PHLX LLC ("PHLX").⁵

³ See Securities Exchange Act Release No. 65180 (August 22, 2011), 76 FR 53521 (August 26, 2011) (SR-NASDAQ-2011-111).

⁴ See Chapter XV, Options Pricing, Section 3(b) of the Options Rules portion of the NASDAQ Rulebook.

⁵ See NASDAQ OMX PHLX LLC Pricing Schedule, Section VII B (Port Fees).

⁵ 17 CFR 200.30-3(a)(12).

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

With respect to the BONO⁶ port fee (“BONO Port Fee”), initially for which there was no charge, this port fee is priced identically to the fee currently being charged for the NASDAQ ITCH to Trade Options (“ITTO”)⁷ port, which is the other market data port. The increase will assist the Exchange in recouping costs associated with maintaining the BONO port.

The Exchange also proposes to assess a monthly \$50 Account Fee for each member account, which would allow the Exchange to recoup costs associated with monthly billing and processing. The Account Fee would cover any month, or any part of a month, during which an account is maintained by a member. The proposed rule change would also encourage members to discontinue holding trading accounts, which the Exchange believes should, in turn, eliminate the need to expend resources to create additional account fields. As a result, the staff time allocated to maintaining account records would be reduced, which would allow for a more efficient use of staff resources. The proposed Account Fee is substantially similar to the monthly account fee that the PHLX currently charges.⁸

Members currently have the option to request an unlimited number of trading accounts through the Exchange’s Membership Department. In many instances, multiple accounts are assigned at the member’s request to allow them to track their own activity using the Exchange’s account numbers.⁹ Often, however, accounts are not released back to the Exchange when they are no longer required by the member or when a member may have requested more accounts than needed. This practice limits the number of available accounts and adds to increased staff time to maintain accurate records of active accounts and the retiring of inactive accounts.

While fee changes pursuant to this proposal are effective upon filing, the Exchange has designated these changes to be operative on May 1, 2012.

⁶ BONO is an option feed designed to provide the NASDAQ Best Bid and Offer and last sale information directly to NOM participant firms.

⁷ ITTO is designed to provide full quote and order depth using the standard ITCH format. ITTO uses a series of messages to track the life of a quote or order through the NOM. ITTO supports NOM last sale data as well as Net Order Imbalance data for the opening auction.

⁸ See PHLX Pricing Schedule, Section VI A (Membership Fees).

⁹ The proposed rule change does not limit the number of accounts a member organization may request.

2. Statutory Basis

NASDAQ believes that its proposal to amend its schedule of fees is consistent with Section 6(b) of the Act¹⁰ in general, and furthers the objectives of Section 6(b)(4) of the Act¹¹ in particular, in that it is an equitable allocation of reasonable fees and other charges among Exchange members and other persons using any facility or system which NASDAQ operates or controls.

The Exchange believes that the new SQF and BONO Port Fees (collectively, the “Port Fees”) are reasonable because each will assist in recouping costs incurred by the Exchange for connectivity to NOM. Additionally, the proposed SQF Port Fee is reasonable because the fee is lower than the range of port fees that are assessed today by NOM, as well as within the range of port fees currently charged by PHLX.¹² The BONO Port Fee is reasonable because it is the same as the fee currently being charged for ITTO, which is the other market data port. The Exchange believes that the Port Fees, for which the Exchange will assess NOM participants as of May 1, 2012, are equitable and not unfairly discriminatory because they are uniformly applied to all NOM participants that utilize these ports.

The Exchange also believes that the Account Fee is reasonable because it seeks to recoup costs incurred by the Exchange. Further, the Exchange is seeking to incentivize members to discontinue such inactive trading accounts. The Exchange also believes that the proposed Account Fee is equitable and not unfairly discriminatory because it would be uniformly applied to all members.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section

19(b)(3)(A)(ii) of the Act¹³ and paragraph (f)(2) of Rule 19b-4¹⁴ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–66846; File No. SR–NYSEArca–2012–34]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing of Proposed Rule Change To List and Trade the Huntington US Equity Rotation Strategy ETF and Huntington EcoLogical Strategy ETF Under NYSE Arca Equities Rule 8.600

April 23, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Exchange Act” or “Act”)¹ and Rule 19b–4 thereunder,² notice is hereby given that, on April 12, 2012, NYSE Arca, Inc. (“Exchange” or “NYSE Arca”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to list and trade the following under NYSE Arca Equities Rule 8.600 (“Managed Fund Shares”): Huntington US Equity Rotation Strategy ETF and Huntington EcoLogical Strategy ETF. The text of the proposed rule change is available at the Exchange, www.nyse.com, and the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to list and trade shares (“Shares”) of the following under NYSE Arca Equities Rule 8.600, which governs the listing and trading of Managed Fund Shares:³ Huntington US Equity Rotation Strategy ETF and Huntington EcoLogical Strategy ETF (each, a “Fund” and collectively, “Funds”).⁴ The Funds will be actively managed exchange-traded funds (“ETFs”). The Shares of each Fund will be offered by Huntington Strategy Shares (“Trust”), a statutory trust organized under the laws of the State of Delaware and registered with the Commission as an open-end management investment company.⁵

³ A Managed Fund Share is a security that represents an interest in an investment company registered under the Investment Company Act of 1940 (15 U.S.C. 80a–1) (“1940 Act”) organized as an open-end investment company or similar entity that invests in a portfolio of securities selected by its investment adviser consistent with its investment objectives and policies. In contrast, an open-end investment company that issues Investment Company Units, listed and traded on the Exchange under NYSE Arca Equities Rule 5.2(j)(3), seeks to provide investment results that correspond generally to the price and yield performance of a specific foreign or domestic stock index, fixed income securities index, or combination thereof.

⁴ The Commission has approved listing and trading on the Exchange of a number of actively managed funds under NYSE Arca Equities Rule 8.600. See, e.g., Securities Exchange Act Release Nos. 57801 (May 8, 2008), 73 FR 27878 (May 14, 2008) (SR–NYSEArca–2008–31) (order approving Exchange listing and trading of twelve actively managed funds of the WisdomTree Trust); 65468 (October 3, 2011), 76 FR 62873 (October 11, 2011) (SR–NYSEArca–2011–51) (order approving listing and trading of TrimTabs Float Shrink ETF); 63076 (October 12, 2010), 75 FR 63874 (October 18, 2010) (SR–NYSEArca–2010–79) (order approving listing of Cambria Global Tactical ETF).

⁵ The Trust is registered under the 1940 Act. On April 6, 2012, the Trust filed with the Commission an amendment to the Trust’s Registration Statement on Form N–1A under the Securities Act of 1933 (15

Huntington Asset Advisors, Inc. (“Adviser”) is the investment adviser of each Fund and manages the investment portfolios of the Funds. SEI Investments Distribution Co. (“Distributor”) is the principal underwriter and distributor of the Funds’ Shares. Citibank, N.A. is the custodian (“Custodian”) for the Funds.

Commentary .06 to Rule 8.600 provides that, if the investment adviser to the investment company issuing Managed Fund Shares is affiliated with a broker-dealer, such investment adviser shall erect a “fire wall” between the investment adviser and the broker-dealer with respect to access to information concerning the composition and/or changes to such investment company portfolio. In addition, Commentary .06 further requires that personnel who make decisions on the open-end fund’s portfolio composition must be subject to procedures designed to prevent the use and dissemination of material non-public information regarding the open-end fund’s portfolio.⁶ Commentary .06 to Rule 8.600 is similar to Commentary .03(a)(i) and (iii) to NYSE Arca Equities Rule 5.2(j)(3); however, Commentary .06 in

U.S.C. 77a) and under the 1940 Act relating to the Funds (File Nos. 333–170750 and 811–22497) (“Registration Statement”). The description of the operation of the Trust and the Funds herein is based, in part, on the Registration Statement. As of the date of this filing, the Trust has also filed an Amended and Restated Application for an Order under Section 6(c) of the 1940 Act for exemptions from various provisions of the 1940 Act and rules thereunder (File No. 812–13785), dated April 3, 2012 (“Exemptive Application”). See Investment Company Act Release No. 30032 (April 10, 2012). The Shares will not be listed on the Exchange until an order (“Exemptive Order”) under the 1940 Act has been issued by the Commission with respect to the Exemptive Application. Investments made by the Funds will comply with the conditions set forth in the Exemptive Order.

⁶ An investment adviser to an open-end fund is required to be registered under the Investment Advisers Act of 1940 (“Advisers Act”). As a result, the Adviser and its related personnel are subject to the provisions of Rule 204A–1 under the Advisers Act relating to codes of ethics. This Rule requires investment advisers to adopt a code of ethics that reflects the fiduciary nature of the relationship to clients as well as compliance with other applicable securities laws. Accordingly, procedures designed to prevent the communication and misuse of non-public information by an investment adviser must be consistent with Rule 204A–1 under the Advisers Act. In addition, Rule 206(4)–7 under the Advisers Act makes it unlawful for an investment adviser to provide investment advice to clients unless such investment adviser has (i) adopted and implemented written policies and procedures reasonably designed to prevent violation, by the investment adviser and its supervised persons, of the Advisers Act and the Commission rules adopted thereunder; (ii) implemented, at a minimum, an annual review regarding the adequacy of the policies and procedures established pursuant to subparagraph (i) above and the effectiveness of their implementation; and (iii) designated an individual (who is a supervised person) responsible for administering the policies and procedures adopted under subparagraph (i) above.
