Registration Review Proposed and Proposed Interim Decisions; Notice of Availability

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: This notice announces the availability of EPA's proposed registration review decisions and opens a public comment period on the proposed and proposed interim decisions. Registration review is EPA's periodic review of pesticide registrations to ensure that each pesticide continues to satisfy the statutory standard for registration, that is, that the pesticide can perform its intended function without unreasonable adverse effects on human health or the environment. Through this program, EPA is ensuring that each pesticide's registration is based on current scientific and other knowledge, including its effects on human health

and the environment. This document also announces the registration review case closure for the pesticide amitrole (case 0095) and the availability of the amitrole case closure document. The cancellation of all amitrole product registrations became effective on April 11, 2014. This case closure for amitrole is being announced herein with no comment period.

DATES: Comments must be received on or before August 4, 2014.

ADDRESSES: Submit your comments, identified by the docket identification (ID) number for the specific pesticide of interest provided in the table in Unit II.A., by one of the following methods:
