Title: Regulations and Related Reporting and Recording Requirements—FTPP, Packers and Stockyards Division.

OMB Control Number: 0581-0308.

Summary of Collection: The Agricultural Marketing Service (AMS) administers the provisions of the Packers and Stockyards Act of 1921 (Act), as amended and supplemented (7 U.S.C. 181-229c). The Act is designed to protect the financial interests of livestock and poultry producers engaged in commerce of livestock and live poultry sold for slaughter. It also protects members of the livestock and poultry marketing, processing, and merchandising industries from unfair, unjustly discriminatory, deceptive, or anti-competitive practices in the livestock, meat, and poultry industries. AMS will collect information using several forms.

Need and Use of the Information: Through the forms in this information collection, the Fair-Trade Practices Program (FTPP), Packers and Stockyards Division (PSD) gathers information that keeps PSD current on the ownership and operations of regulated entities which permit PSD oversight of the regulated entities. For example, PSD gathers information regarding the number of head of livestock purchased and the cost of the livestock to determine if the entity is adequately bonded to protect the livestock sellers. The information regarding the amount of livestock purchased is also consolidated for public reporting in PSD's annual report. Other financial information is gathered to determine if the regulated entities are operating while solvent as required by the P&S Act.

This information collection is necessary for PSD to monitor and examine financial, competitive, and trade practices in the livestock, meat packing and poultry industries.

Description of Respondents: Business or other for-profit.

Number of Respondents: 11,320.

Frequency of Responses: Recordkeeping; Third party disclosure; Reporting: On occasion; Semi-annually; Annually.
