

enhanced availability, but enhanced data integrity as well. Parties using CDX are able to submit data in common file formats (including portable document format).

Requirements for submission of attest engagement reports via CDX are consistent with EPA, and government-wide, efforts to encourage secure electronic reporting and reduce costs associated with the processing and storage of paper formats and accompanying physical media. Since all active reporting parties already have CDX accounts and all other quarterly and annual compliance reports for these programs are required to be submitted via CDX we no longer believe attest engagement reports should be physically mailed to EPA. Any party requiring a new CDX account may set up an account at http://cdx.epa.gov/epa_home.asp.

III. What reports must be submitted via CDX?

Attest engagement reports submitted in accordance with 40 CFR Part 80, subparts D, E, F, H, J, L and M (including, but not limited to those attest engagement reports required under 40 CFR 80.125 through 80.130, 80.415, 80.1035, 80.1356 and 80.1464.) must be submitted via CDX, starting with reports due on or after May 31, 2013.
