

treatment of the Closing Disclosure, a significant portion of the booklet is devoted to encouraging the consumer to review the specific terms offered in their Loan Estimate, which they are also likely to receive at the same time as the CHARM booklet. Portions of the Loan Estimate are reproduced and explained in the revised CHARM booklet.

Distribution and Use of the Updated CHARM Booklet

Under 12 CFR 1026.19(b), if the annual percentage rate may increase after consummation in a transaction secured by the consumer's principal dwelling with a term greater than one year, the CHARM booklet must be provided when an application form is provided for an adjustable rate mortgage loan or before the consumer pays a non-refundable fee, whichever is earlier (except that the disclosures may be delivered or placed in the mail not later than three business days following the receipt of the consumer's application when the application reaches the creditor by telephone, or through an intermediary agent or broker).

Creditors may, at their option, immediately begin using the revised CHARM booklet, or a suitable substitute, to comply with the requirements in Regulation Z. The Bureau understands, however, that some may wish to use their existing stock of the CHARM booklet. Therefore, those who provide this publication may use earlier versions of the CHARM booklet until existing supplies are exhausted. When reprinting the CHARM booklet, the most recent version should be used.
