Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The IC Clearance Official, Regulatory Information Management Services, Office of Management, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before April 2, 2007.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The IC Clearance Official, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g., new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

Title: The Effectiveness of the Alabama Mathematics, Science and Technology Initiative (AMSTI).

Frequency: Monthly; Annually, Trainer log.

Affected Public: State, Local, or Tribal Gov't, SEAs or LEAs.

Reporting and Recordkeeping Hour Burden:

Responses: 2,233.

Burden Hours: 746.

Abstract: This study is a group randomized controlled trial by the Regional Educational Laboratory for the Southeast and its subcontractors to test the effectiveness of the Alabama Mathematics, Science and Technology Initiative (AMSTI). This study is needed so that the Alabama State Department of Education (ALSDE), following the requirements of NCLB, can make decisions about this initiative based on scientific data regarding the program's effectiveness at improving student achievement. The evidence from this experiment will be used by ALSDE and the Alabama legislature as a consideration in deciding about program continuation, expansion, and improvement.
