

date of this notice, as provided by section 751(a)(2)(C) of the Act: (1) For the exporters listed above, the cash deposit rate will be equal to the weighted-average dumping margin established in the final results of this review (except, if the rate is zero or *de minimis*, then the cash deposit rate will be zero for that exporter); (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recently completed segment of this proceeding; (3) for all PRC exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be the rate for the PRC-wide entity; and (4) for all non-PRC exporters of subject merchandise that have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: December 5, 2016.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (“the Department”) is conducting an administrative review of the antidumping duty order on multilayered wood flooring (“MLWF”) from the People's Republic of China (“PRC”). The period of review (“POR”) is December 1, 2014, through November 30, 2015. The review covers two mandatory respondents, Dalian Penghong Floor Products Co., Ltd. (“Penghong”) and Jiangsu Senmao Bamboo and Wood Industry Co., Ltd. (“Senmao”). We preliminarily find that both respondents made sales of subject merchandise at less than normal value (“NV”).

DATES: Effective December 27, 2016.

SUPPLEMENTARY INFORMATION:

Background

On December 8, 2011, the Department published in the **Federal Register** an antidumping duty order on wood flooring from the PRC.¹ On December 1, 2015, the Department published in the

Federal Register a notice of opportunity to request an administrative review of the antidumping duty order on wood flooring from the PRC.² On December 30, 2015, and December 31, 2015, the Department received requests from 74 foreign and domestic interested parties for administrative reviews of wood flooring from the PRC. Additionally, on December 31, 2015, the Department received a request from the Coalition for American Hardwood Parity (“Petitioner”), petitioner in the underlying investigation, to conduct administrative reviews of numerous exporters/producers of wood flooring from the PRC, many of which were already the subject of review requests filed by other parties. On February 9, 2016, the Department published in the **Federal Register** a notice of initiation of an administrative review of the wood flooring order with respect to 111 companies for which a timely request for an administrative review of the applicable antidumping duty order was submitted.³ On March 3, 2016, the Department published in the **Federal Register** a *Second Initiation Notice* to correct an inadvertent misspelling of one company's name in the *First Initiation Notice*.⁴ Requesting parties have subsequently timely withdrawn all review requests for one company for which the Department initiated a review, as discussed below.

Tolling of Deadline of Preliminary Results of Review/Extension of Deadlines for Preliminary Results

As explained in the memorandum from the Acting Assistant Secretary for Enforcement and Compliance, the Department exercised its discretion to toll all administrative deadlines due to the closure of the Federal Government between January 22 and January 26, 2016. All deadlines in this segment of the proceeding were extended by four business days.⁶ On August 11, 2016, the Department extended the time period for issuing the preliminary results of

this review until November 30, 2016.⁷ On November 17, 2016 the Department extended the time period for issuing the preliminary results of this review again, until December 20, 2016.⁸

Methodology

The Department has conducted this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (“the Act”). Export prices and constructed export prices have been calculated in accordance with section 772 of the Act. Because the PRC is a non-market economy (“NME”) within the meaning of section 771(18) of the Act, normal value (“NV”) has been calculated in accordance with section 773(c) of the Act.

For a full description of the methodology underlying our conclusions, please see the Preliminary Decision Memorandum, hereby adopted by this notice.⁹ The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (“ACCESS”). ACCESS is available to registered users at <http://access.trade.gov>. The Preliminary Decision Memorandum is also available in the Central Records Unit, Room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/index.html>. The signed Preliminary Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Affiliation and Collapsing

Based on evidence presented in Penghong’s questionnaire responses and a collapsing/single entity memorandum from a prior segment of this proceeding

which is on the record of this review,¹⁰ the Department preliminarily finds that: (1) Penghong is affiliated with both a certain glue producer and a certain wood processor within the meaning of sections 771(33)(A), (F), and (G) of the Act; and (2) that Penghong and Dalian Shumaike Floor Manufacturing Co., Ltd. (“Shumaike”) are affiliated within the meaning of section 773(33)(F) of the Act. Additionally, we are preliminarily treating Penghong and Shumaike as a single entity for antidumping duty purposes, within the meaning of 19 CFR 351.401(f), because we continue to find that those two affiliated companies have a high level of common ownership, production facilities for similar or identical products that would not require substantial retooling to restructure manufacturing priorities, and that there is a significant potential for manipulation of price or production.¹¹

Verification

As provided in section 782(i) of the Act, the Department verified information provided by the Penghong and Senmao.¹² The Department conducted the verification using standard verification procedures including the examination of relevant sales, financial, and other records and the selection and review of original documentation containing relevant information. The results of the verification are outlined in the public version of the verification reports. The verification reports are on file electronically *via* ACCESS.

Preliminary Results of Review

The Department preliminarily finds that twenty-four companies subject to this review did not establish eligibility for a separate rate. As such, we preliminarily determine they are part of the PRC-wide entity.¹³ Because no party

requested a review of the PRC-wide entity and the Department no longer considers the PRC-wide entity as an exporter conditionally subject to administrative reviews,¹⁴ we did not

conduct a review of the PRC-wide entity. Thus, the rate for the PRC-wide entity is not subject to change as a result of this review.

For companies subject to this review that have established their entitlement

to a separate rate, the Department preliminarily determines that the following dumping margins exist for the POR from December 1, 2014, through November 30, 2015:¹⁵

Preliminary Partial Rescission of Antidumping Duty Administrative Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if a party that requested the review withdraws its request within 90 days of the date of publication of the notice of initiation of the requested review. Jiangsu Keri Wood Co., Ltd. withdrew its respective request for an administrative review within 90 days of the date of publication of *Initiation Notice*.¹⁷ Accordingly, the Department is rescinding this review with respect to Jiangsu Keri Wood Co., Ltd., in accordance with 19 CFR 351.213(d)(1).¹⁸

¹⁶ On September 30, 2014, the Department determined that Linyi Youyou Wood Co., Ltd. is the successor-in-interest to Shanghai Lizhong Wood Products Co., Ltd./The Lizhong Wood Industry Limited Company of Shanghai. See *Multilayered Wood Flooring From the People's Republic of China: Final Results of Changed Circumstances Review*, 79 FR 58740 (September 30, 2014). Because Shanghai Lizhong Wood Products Co., Ltd./The Lizhong Wood Industry Limited Company of Shanghai no longer exists as a legal entity, the rate is assigned to Linyi Youyou Wood Co., Ltd.

¹⁷ See Letter from Jiangsu Keri Wood Co., Ltd. to the Department regarding "Withdrawal of Review Request" dated February 22, 2016.

¹⁸ See Appendix. As stated in *Change in Practice in NME Reviews*, the Department will no longer consider the non-market economy ("NME") entity as an exporter conditionally subject to

With respect to Dongtai Zhangshi Wood Industry Co., Ltd. and Huzhou Muyun Wood Co., Ltd., the Department preliminarily found each of these company's one sale during the POR to be a non-*bona fide* sale in a concurrent new shipper review ("NSR").¹⁹ Because the sale subject to this administrative review is the same sale preliminarily found to be a non-*bona fide* sale in the new shipper review, and there are no other reviewable sales by either company during the POR, we are preliminarily rescinding this review with respect to Dongtai Zhangshi Wood Industry Co., Ltd. and Huzhou Muyun Wood Co., Ltd.

Assessment Rates

Upon issuance of the final results, the Department will determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review.²⁷ The Department intends to issue assessment instructions to CBP 15 days after the publication date of the final results of this review. For any individually examined respondent whose weighted-average dumping margin is above *de minimis* (*i.e.*, 0.50 percent) in the final results of this review, the Department will calculate an importer- (or customer-) specific assessment rate on the basis of the ratio of the total amount of antidumping duties calculated for the importer's examined sales and the total entered value of sales, in accordance with 19 CFR 351.212(b)(1). In these preliminary results, the Department applied the assessment rate calculation method adopted in the *Final Modification for Reviews*.²⁸ Where either the respondent's weighted-average dumping margin is zero or *de minimis*, or an importer- (or customer-) specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.²⁹ We intend to instruct CBP to liquidate entries containing subject merchandise exported by the PRC-wide entity at the

current rate for the PRC-wide entity (which, as noted above, is not subject to change in this review).

Additionally, for the companies for which this review is rescinded, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

In accordance with section 751(a)(2)(C) of the Act, the final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) For the companies listed above the cash deposit rate will be their respective rate established in the final results of this review, except if the rate is zero or *de minimis* (*i.e.*, less than 0.5 percent), then the cash deposit rate will be zero; (2) for previously investigated PRC and non-PRC exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (3) for all PRC exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be that for the PRC-wide entity; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the

Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213.

Dated: December 20, 2016.

Paul Piquado,

Assistant Secretary for Enforcement and Compliance.
