DEPARTMENT OF HOMELAND SECURITY**Transportation Security Administration**

[Docket No. TSA–2006–26514]

Extension of Agency Information Collection Activity Under OMB Review: Rail Transportation Security**AGENCY:** Transportation Security Administration, DHS.**ACTION:** 30-Day notice.

SUMMARY: This notice announces that the Transportation Security Administration (TSA) has forwarded the Information Collection Request (ICR),

Office of Management and Budget (OMB) control number 1652–0051, abstracted below to OMB for review and approval of an extension of the currently approved collection under the Paperwork Reduction Act (PRA). The ICR describes the nature of the information collection and its expected burden. The collection involves the submission of contact information of security coordinators (SCs) and alternate SCs from certain freight rail and passenger rail entities; reporting of significant security concerns; documenting the transfer of custody and control of certain hazardous materials rail cars; and providing location and shipping information for certain hazardous materials rail cars.

DATES: Send your comments by June 9, 2022. A comment to OMB is most

effective if OMB receives it within 30 days of publication.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under Review—Open for Public Comments” and by using the find function.

FOR FURTHER INFORMATION CONTACT: Christina A. Walsh, TSA PRA Officer, Information Technology (IT), TSA–11, Transportation Security Administration, 6595 Springfield Center Drive, Springfield, VA 20598–6011; telephone (571) 227–2062; email TSAPRA@tsa.dhs.gov.

SUPPLEMENTARY INFORMATION: TSA published a **Federal Register** notice, with a 60-day comment period soliciting comments, of the following collection of information on December 23, 2021, 86 FR 72990.

Comments Invited

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The ICR documentation will be available at <http://www.reginfo.gov> upon its submission to OMB. Therefore, in preparation for OMB review and approval of the following information collection, TSA is soliciting comments to—

(1) Evaluate whether the proposed information requirement is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including using appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Information Collection Requirement

Title: Rail Transportation Security.

Type of Request: Extension of a currently approved collection.

OMB Control Number: 1652-0051.

Forms(s): NA.

Affected Public: Freight rail, passenger rail, and shippers/receivers of certain hazardous materials.

Abstract: TSA requires freight railroad carriers and certain facilities handling specified categories and quantities of hazardous materials be able to report location and shipping information to TSA upon request. *See* 49 CFR 1580.203. These regulated carriers and facilities must also implement chain of custody and control requirements to ensure a positive and secure exchange of the specified categories and quantities of hazardous materials listed in 49 CFR 1580.205, and make the reports available to TSA upon request. TSA further collects information from regulated parties on Security Coordinators and significant security concerns telephonically and electronically reporting.¹

¹ The requirements of this section also apply to certain over-the-road bus owner/operators and

Number of Respondents: 1,760.
Estimated Annual Burden Hours: An estimated 112,600 hours annually.²

Dated: May 5, 2022.

Extension and Redesignation of South Sudan for Temporary Protected Status—Correction

AGENCY: U.S. Citizenship and Immigration Services (USCIS), Department of Homeland Security (DHS).

ACTION: Notice; correction.

SUMMARY: U.S. Citizenship and Immigration Services (USCIS), a component of the Department of Homeland Security (DHS), is making a correction to the notice titled “Extension and Redesignation of South Sudan for Temporary Protected Status” that published in the **Federal Register** on March 3, 2022, at 87 FR 12190. USCIS is correcting a typographical error in the “General Employment-Related Information for TPS Applicants and Their Employers” section of the notice to correct the date from September 17, 2021 to May 2, 2022 as the eligibility date that should be showing on South Sudan TPS-based Employment Authorization Documents (EADs) in order to receive an automatic 180-day EAD extension through November 1, 2022.

FOR FURTHER INFORMATION CONTACT:

• You may contact Rená Cutlip-Mason, Chief, Humanitarian Affairs Division, Office of Policy and Strategy, U.S. Citizenship and Immigration Services, U.S. Department of Homeland Security, by mail at 5900 Capital Gateway Drive, Camp Springs, MD 20746, or by phone at 800-375-5283.

owner/operators of bus-only public transportation systems. The collection of information associated with bus operations is covered by OMB Control No. 1652-0066; Security Training Program for Surface Transportation Employees.

² Since the publication of the 60-day notice, TSA has updated the annual burden hours from 112,764 to 112,600 hours.

• For further information on TPS, including guidance on the registration and re-registration process and additional information on eligibility, please visit the USCIS TPS web page at <http://www.uscis.gov/tps>. You can find specific information about this extension of South Sudan's TPS designation by selecting “South Sudan” from the menu on the left side of the TPS web page.

• If you have additional questions about TPS, please visit uscis.gov/tools. Our online virtual assistant, Emma, can answer many of your questions and point you to additional information on our website. If you are unable to find your answers there, you may also call our USCIS Contact Center at 800-375-5283 (TTY 800-767-1833).

• Applicants seeking information about the status of their individual cases may check Case Status Online, available on the USCIS website at uscis.gov, or visit the USCIS Contact Center at uscis.gov/contactcenter.

• Further information will also be available at local USCIS offices upon publication of this Notice.

SUPPLEMENTARY INFORMATION: On March 3, 2022, DHS published a notice in the **Federal Register** at 87 FR 12190. USCIS is making a correction to that published notice. The correction is as follows:

On page 12198, under the question “Am I eligible to receive an automatic 180-day extension of my current EAD through November 1, 2022, using this **Federal Register** notice?” USCIS is revising the second sentence to correct the referenced expiration date on the face of the card for TPS EADs issued under the prior TPS South Sudan extension. This date should reflect May 2, 2022, not September 17, 2021.

Applicable to automatic extension periods of current EADs for this population, DHS published a Temporary Final Rule on May 4, 2022 that temporarily increased the automatic 180-day extension under 8 CFR 274a.13(d) to up to 540 days for those TPS beneficiaries that file to renew their existing EAD.¹ Accordingly, for TPS beneficiaries who are covered under the South Sudan TPS Notice and file to renew their EAD with a May 2, 2022 expiration date on the face of the card during the filing period described under the South Sudan TPS Notice, the Temporary Final Rule permits an automatic extension of their EAD for up
