Total Estimated Number of Annual Burden Hours: 850.

Abstract: The Credit Enhancement for Charter School Facilities Program and its virtually identical antecedent program, the Charter Schools Facilities Financing Demonstration Program, authorized as part of the reauthorization of the Elementary and Secondary Education Act, to have a statutory mandate for an annual report (respectively, Section 5227 and Section 10227). This reporting is a requirement in order to obtain or retain benefits according to section 5527 part b of the Elementary and Secondary Education Act of 1965. ED will use the information through this report to monitor and evaluate competitive grants. These grants are made to private, non-profits; governmental entities; and consortia of these organizations. These organizations will use the funds to leverage private capital to help charter schools construct, acquire, and renovate school facilities.

[Docket No. EERE-2013-BT-BC-0036]

DOE Activities and Methodology for Assessing Compliance With Building Energy Codes

AGENCY: Office of Energy Efficiency and Renewable Energy, Department of Energy.

ACTION: Request for information (RFI).

SUMMARY: The U.S. Department of Energy (DOE) is soliciting public input on the methodology developed by DOE to assist in assessing compliance with building energy codes at the local, state, and national levels. To provide technical assistance for states implementing building energy codes, DOE developed and piloted a compliance methodology across several U.S. states. The experiences of those participating in these pilot studies have led to a number of recommendations and potential changes to the DOE methodology. DOE is interested in receiving broad public input on not only this methodology, but also on fundamental assumptions and approaches to measuring compliance with building energy codes. This notice identifies several areas in which DOE is particularly interested in receiving information; however, any input and suggestions considered relevant to the topic are welcome.
