

These data collection efforts may be either qualitative or quantitative in nature or may consist of mixed methods. Additionally, data may be collected via a variety of means, including but not limited to electronic or social media, direct or indirect observation (*i.e.*, in person, video and audio collections), interviews, questionnaires, surveys, and focus groups. The Department of the Interior will limit its inquiries to data collections that solicit strictly voluntary opinions or responses. Steps will be taken to ensure anonymity of respondents in each activity covered by this request.

The results of the data collected will be used to improve the delivery of Federal services and programs. It will include the creation of personas, customer journey maps, and reports and summaries of customer feedback data and user insights. It will also provide government-wide data on customer experience that can be displayed on *performance.gov* to help build transparency and accountability of Federal programs to the customers they serve.

Method of Collection

DOI will collect this information by electronic means when possible, as well as by mail, fax, telephone, technical discussions, and in-person interviews. The Department of the Interior may also utilize observational techniques to collect this information.

Data

Form Number(s): None.
Type of Review: New.

B. Annual Reporting Burden

Affected Public: Collections will be targeted to the solicitation of opinions from respondents who have experience with the program or may have experience with the program in the near future. For the purposes of this request, "customers" are individuals, businesses, and organizations that interact with a Federal Government agency or program, either directly or via a Federal contractor. This could include individuals or households; businesses or other for-profit organizations; not-for-profit institutions; State, local or tribal governments; Federal government; and Universities.

Estimated Number of Respondents: 146,118.

Estimated Time per Response: Varied, dependent upon the data collection method used. The possible response time to complete a questionnaire or survey may be 3 minutes or up to 2 hours to participate in an interview.

Estimated Total Annual Burden Hours: 69,365.

Estimated Total Annual Cost to Public: \$0.

C. Public Comments

DOI invites comments on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

The authority for this action is the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

Alaska Native Claims Selection

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of decision approving lands for conveyance.

SUMMARY: The Bureau of Land Management (BLM) hereby provides constructive notice that it will issue an appealable decision approving conveyance of the surface estate in certain lands to Kugkaktlik Limited, for the Native village of Kipnuk, pursuant to the Alaska Native Claims Settlement Act of 1971, as amended (ANCSA). The lands approved for conveyance lie partially within the former Clarence Rhode National Wildlife Range, now known as the Yukon Delta National Wildlife Refuge. The subsurface estate in the lands lying outside the former Clarence Rhode National Wildlife Range will be conveyed to Calista Corporation

when the surface estate is conveyed to Kugkaktlik Limited.

DATES: Any party claiming a property interest in the lands affected by the decision may appeal the decision in accordance with the requirements of 43 CFR part 4 within the time limits set out in the **SUPPLEMENTARY INFORMATION** section.

ADDRESSES: You may obtain a copy of the decision from the Bureau of Land Management, Alaska State Office, 222 West Seventh Avenue, #13, Anchorage, AK 99513-7504.

FOR FURTHER INFORMATION CONTACT: Judy A. Kelley, BLM Alaska State Office, 907-271-3786, or j1kelley@blm.gov. The BLM Alaska State Office may also be contacted via Telecommunications Device for the Deaf (TDD) through the Federal Relay Service at 1-800-877-8339. The relay service is available 24 hours a day, 7 days a week, to leave a message or question with the BLM. The BLM will reply during normal business hours.

SUPPLEMENTARY INFORMATION: As required by 43 CFR 2650.7(d), notice is hereby given that the BLM will issue an appealable decision to Kugkaktlik Limited for the Native village of Kipnuk. The decision approves conveyance of the surface estate in certain lands pursuant to ANCSA (43 U.S.C. 1601, *et seq.*). The lands approved for conveyance lie partially within the former Clarence Rhode National Wildlife Range, established December 8, 1960, now known as the Yukon Delta National Wildlife Refuge. As provided by ANCSA, the subsurface estate in lands lying within a national wildlife refuge in existence on December 18, 1971, is not available for conveyance to the regional corporation, Calista Corporation, and will be reserved to the United States in the conveyance document transferring the surface estate. The subsurface estate in the lands lying *outside* the former Clarence Rhode National Wildlife Range will be conveyed to Calista Corporation when the surface estate is conveyed to Kugkaktlik Limited. The lands are located in the vicinity of Kipnuk, and are described as:
