

evidence including the IER complaint and IER letter informing the individual that they may file Form EOIR-58 with OCAHO) at an estimated average printing cost of ten cents per page, for a total print cost of \$15.00 per response. The current Priority Mail postage cost to mail one complete Form EOIR-58 package is estimated at \$10.10. There are no filing fees for EOIR-58. There are no labor costs for unrepresented (pro se) individuals because the form may be completed solely by the individual. However, if an individual chooses to obtain representation to complete and file the Form EOIR-58, the cost to the individual will include the average hourly wage for attorneys based on the U.S. Bureau of Labor Statistics average estimate of \$72.67 per hour for every hour the attorney spends completing the form. Therefore, the maximum total estimated cost burden to the public is \$3,715.26  $((\$15.00 + \$10.10 + \$72.67) \times 38 \text{ responses})$ . EOIR OCAHO continues to work towards implementing full electronic processing with the anticipated implementation of its electronic filing system, which would eliminate the copying and postage costs for filing this form. Until the OCAHO electronic filing system is fully implemented, the affected public may avoid these costs by submitting the Form EOIR-58 via email.
