I. Introduction

The Commission initiates this rulemaking to consider revisions to update the existing annual and periodic service performance reporting

requirements for the Postal Service's Market Dominant products, which are codified in 39 CFR part 3055, subparts A and B, as well as related revisions consistent with the Postal Service Reform Act of 2022 (PSRA).¹ The Commission hereby seeks comments to facilitate the Commission's examination of these reporting requirements.

II. Background

The Postal Accountability and Enhancement Act (PAEA) granted the Commission enhanced information gathering and reporting responsibilities. *See* 39 U.S.C. 3652(e)(1). The PAEA provides that the Commission shall prescribe the content and form of the public reports that the Postal Service files with the Commission under section 3652. *Id.* In doing so, the Commission must attempt to provide the public with timely information that is adequate to allow it to assess the lawfulness of Postal Service rates, should attempt to avoid unnecessary or unwarranted Postal Service effort and expense, and must endeavor to protect the confidentiality of commercially sensitive information. *See id.* The Commission may initiate proceedings to improve the quality, accuracy, or completeness of Postal Service reporting whenever it determines that the service performance data have become significantly inadequate, could be significantly improved, or otherwise require revision as necessitated by the public interest. 39 U.S.C. 3652(e)(2).

In Docket No. RM2009-11, the Commission issued its initial periodic reporting requirements of service performance measurements under the PAEA.² Since then, there have been a number of relevant modifications to those requirements as well as the systems used to measure service performance generally.³ Moreover, in
