Section 19(b)(2) of the Act⁹ provides that, after instituting proceedings, the Commission shall issue an order approving or disapproving a proposed rule change not later than 180 days after the date of publication of notice of filing of the proposed rule change.¹⁰ The Commission may, however, extend the period for issuing an order approving or disapproving the proposed rule change by not more than 60 days if the Commission determines that a longer period is appropriate and publishes the reasons for such determination.¹¹ The 180th day for the proposed rule changes is November 6, 2021.

The Commission is extending the 180-day time period for Commission action on each of the proposed rule changes. The Commission finds it appropriate to designate a longer period within which to issue an order approving or disapproving the proposed rule changes so that it has sufficient time to consider the proposed rule changes.
