**Missouri Central Railroad Company—
Abandonment and Discontinuance of
Service Exemption—in Cass County,
MO.; Central Midland Railway
Company—Discontinuance of Service
and Operating Rights Exemption—in
Cass County, MO.**

Missouri Central Railroad Company (MCRR) and Central Midland Railway Company (CMR) (collectively, applicants) have jointly filed a verified notice of exemption under 49 CFR pt. 1152 subpart F—*Exempt Abandonments and Discontinuances of Service* for MCRR to abandon and discontinue, and for CMR to discontinue, service over approximately 5.6 miles of rail line extending between milepost 257.283 (near Wingate) and milepost 262.906 (near Pleasant Hill) in Cass County, Mo. Specifically, MCRR proposes to: (1) Abandon the line extending between milepost 257.283 and milepost 262.906; and (2) discontinue service over a portion of the line extending between

milepost 262.8 and milepost 262.906, the portion not covered by CMR leased operating rights. CMR proposes to discontinue service and operating rights on the portion of the line extending between milepost 257.283 and milepost 262.8.¹ The line traverses United States Postal Service Zip Code 64080.

Applicants have certified that: (1) No local traffic has moved over the line for at least 2 years; (2) no overhead traffic has moved over the line for at least 2 years and overhead traffic, if there were any, could be rerouted over other lines; (3) no formal complaint filed by a user of rail service on the line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Surface Transportation Board (Board) or with any U.S. District Court or has been decided in favor of complainant within the 2-year period; and (4) the requirements at 49 CFR 1105.7(c) (environmental report), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFE 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to these exemptions, any employee adversely affected by the abandonment or discontinuance shall be protected under *Oregon Short Line—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho*, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. § 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, these exemptions will be effective on December 28, 2010, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,² formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2),³ and trail use/rail banking requests under 49 CFR 1152.29 must be filed by December 6, 2010. ¹ In 2004, CMR received an exemption to lease and operate a 243.8-mile line of railroad that includes this portion of line. See *Cent. Midland Ry.—Lease and Operation Exemption—Missouri Cent. Ry.*, FD 34363 (STB served Feb. 11, 2004).

² The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Office of Environmental Analysis (OEA) in its independent investigation) cannot be made before the exemption's effective date. See *Exemption of Out-of-Serv. Rail Lines*, 5 I.C.C.2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

³ Each OFA must be accompanied by the filing fee, which is currently set at \$1,500. See 49 C.F.R. § 1002.2 (f)(25).
