**Stilbenic Optical Brightening Agents
From China and Taiwan; Termination
of Five-Year Reviews**

AGENCY: United States International
Trade Commission.

ACTION: Notice.

The Commission instituted the subject five-year reviews on October 3, 2022 (87 FR 59827) to determine whether revocation of the antidumping duty orders on stilbenic optical brightening agents from China and Taiwan would be likely to lead to continuation or recurrence of material injury. On December 29, 2022, the Department of Commerce published notice that it was revoking the orders effective November 27, 2022, because no domestic interested party responded to the sunset review notice of initiation by the applicable deadline (87 FR 80162). Accordingly, the subject reviews are terminated.

DATES: November 27, 2022 (effective date of revocation of the orders).

SUPPLEMENTARY INFORMATION:

Background.—On October 4, 2022, the Commission determined that the domestic interested party group response to its notice of institution (87 FR 39562, July 1, 2022) of the subject five-year review was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting a full review.¹ Accordingly, the Commission determined that it would conduct an expedited review pursuant to section 751(c)(3) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(3)).

For further information concerning the conduct of this review and rules of general application, consult the

Staff report.—A staff report containing information concerning the subject matter of the review has been placed in the nonpublic record, and will be made available to persons on the Administrative Protective Order service list for this review on January 19, 2023. A public version will be issued thereafter, pursuant to § 207.62(d)(4) of the Commission's rules.

Written submissions.—As provided in § 207.62(d) of the Commission's rules, interested parties that are parties to the review and that have provided individually adequate responses to the notice of institution,² and any party other than an interested party to the review may file written comments with the Secretary on what determination the Commission should reach in the review. Comments are due on or before January 26, 2023 and may not contain new factual information. Any person that is neither a party to the five-year review nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the review by January 26, 2023. However, should the Department of Commerce (“Commerce”) extend the time limit for its completion of the final results of its review, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission's procedures with respect to filings.

In accordance with §§ 201.16(c) and 207.3 of the rules, each document filed by a party to the review must be served on all other parties to the review (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will
