[Docket No. CP22-161-000]

Gulf South Pipeline Company, LLC; Notice of Scoping Period Requesting Comments on Environmental Issues for the Proposed Index 130 MS River Replacement Project

The staff of the Federal Energy Regulatory Commission (FERC or Commission) will prepare an environmental document, that will discuss the environmental impacts of the Index 130 MS River Replacement Project (Project), involving the replacement of its existing pipelines under the Mississippi River by Gulf South Pipeline Company, LLC (Gulf South) in Ascension Parish, Louisiana. The purpose of the Project is to accommodate the Mississippi River Ship Channel Deepening Project planned by the U.S. Army Corps of Engineers, in partnership with the Louisiana Department of Transportation and Development. The Commission will use this environmental document in its decision-making process to determine whether the project is in the public convenience and necessity.

This notice announces the opening of the scoping process the Commission will use to gather input from the public and interested agencies regarding the project. As part of the National Environmental Policy Act (NEPA) review process, the Commission takes into account concerns the public may have about proposals and the environmental impacts that could result from its action whenever it considers the issuance of a Certificate of Public Convenience and Necessity. This gathering of public input is referred to
