

requires the Department of Housing and Urban Development (HUD) to establish rents for certain subsidized rental projects. Under this legislation, HUD is charged with the responsibility of determining the method of rent adjustments and with facilitating these adjustments. Because rent adjustments are considered benefits to project owners, HUD must also provide some means for owners to appeal the decisions made by the Department or the Contract Administrator. This appeal process and the information collection play an important role in preventing costly litigation and in ensuring the accuracy of the overall rent adjustment process.

Respondents (i.e. affected public): Owners of certain subsidized multifamily rental projects.

Estimated Number of Respondents: 525.

Estimated Number of Responses: 525.

Frequency of Response: 1.

Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in section A on the following:

(1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) The accuracy of the agency's estimate of the burden of the proposed collection of information;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) Ways to minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

HUD encourages interested parties to submit comment in response to these questions.

Office of the Secretary

Invasive Species Advisory Committee; Notice of a Meeting

AGENCY: Office of the Secretary, Interior.

ACTION: Notice of Public Meetings of the Invasive Species Advisory Committee.

SUMMARY: Pursuant to the provisions of the Federal Advisory Committee Act, notice is hereby given of meetings of the Invasive Species Advisory Committee (ISAC). Comprised of 30 nonfederal invasive species experts and stakeholders from across the nation, the purpose of the Advisory Committee is to provide advice to the National Invasive Species Council, as authorized by Executive Order 13112, on a broad array of issues related to preventing the introduction of invasive species and providing for their control and minimizing the economic, ecological, and human health impacts that invasive species cause. The Council is co-chaired by the Secretary of the Interior, the Secretary of Agriculture, and the Secretary of Commerce. The duty of the Council is to provide national leadership regarding invasive species issues.

Purpose of Meeting: To convene the full ISAC and to provide expert input and recommendations to NISC federal agencies and their partners on invasive species matters of national importance. While in session, ISAC will discuss the development of the next iteration of the National Invasive Species Management Plan, as well as ongoing progress under a variety of priority initiatives focused on invasive species early detection and rapid response (EDRR). The meeting agenda and supplemental materials are available on the NISC Web site at <http://www.doi.gov/invasivespecies/isac/isac-meetings.cfm>.

DATES: Meeting of the Invasive Species Advisory Committee: Wednesday, May 20, 2015: 8:30 a.m. to 5:00 p.m.; Thursday, May 21, 2015: 8:30 a.m. to 5:30 p.m.; Friday, May 22, 2015: 8:15 a.m.–12:00 p.m.

ADDRESSES: National Oceanic and Atmospheric Association (Building SSMC4), 1305 East-West Highway, Silver Spring, MD 20910. The general session will be held in Room 4527.

Note: All meeting participants and interested members of the public must be cleared through building security prior to being escorted to the meeting.
