

following changes are made to Form 323: The instructions have been revised to incorporate a definition of "eligible entity," which will apply to the Commission's existing Equity Debt Plus ("EDP") standard, one of the standards used to determine whether interests are attributable. The instructions have also been revised to update citations to the Commission's media ownership rules.

In addition, on April 8, 2009, the Commission adopted a Report and Order and Fourth Further Notice of Proposed Rulemaking (the "323 Order") in MB Docket Nos. 07–294, 06–121, 02–277, 01–235, 01–317, 00–244, 04–228; FCC 09–33. Consistent with actions taken by the Commission in the 323 Order, the following changes are made to Form 323: The instructions have been revised to state the Commission's revised Biennial filing requirements adopted in the 323 Order. The instructions and questions in all sections of the form have been significantly revised. Many questions on the form have been reworked or reordered in order to (1) Clarify the information sought in the form; (2) simplify completion of the form by giving respondents menu-style or checkbox-style options to select rather than submit a separate narrative exhibit; and (3) make the data collected on the form more adaptable for use in database programs used to prepare economic and policy studies relating to media ownership.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

The National Biodefense Science Board (NBSB), a Federal Advisory Committee to the Secretary; Request for Public Comment

AGENCY: Department of Health and Human Services, Office of the Secretary.

ACTION: Request for public comment.

SUMMARY: The U.S. Department of Health and Human Services is hereby giving notice that the National Biodefense Science Board (NBSB) Medical Countermeasure Markets and Sustainability Working Group is requesting public comment to their working document, "Inventory of Issues Constraining or Enabling Industry Involvement in Medical Countermeasure Efforts". The inventory (or grid) includes factors that may discourage industry involvement or partnering with the U.S. Government in medical countermeasure development efforts, reported constraints to industry involvement, and potential solutions for relief from a particular constraint. The inventory has been catalogued by financial, legislative, scientific, human capital, regulatory, and societal elements. The Working Group wishes to solicit comment, feedback, and guidance from members of industry, other government agencies, and the public at large for consideration by the Working Group to strengthen and refine the document prior to its public presentation to the NBSB at the scheduled Fall 2009 public meeting of the Board.

DATES: The public is asked to submit comments by October 30, 2009, to the NBSB e-mail box (NBSB@hhs.gov) in order to be considered by the Working Group in preparing the final document.
