#### Council on Graduate Medical Education; Notice of Meeting

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92–463), notice is hereby given of the following meeting:

**Name:** Council on Graduate Medical Education (COGME).

**Dates and Times:** July 23, 2012, 8:30 a.m.–5:00 p.m.

July 24, 2012, 8:00 a.m.–4:00 p.m.

**Place:** Hilton Washington DC/Rockville, Executive Meeting Center, 1750 Rockville Pike, Rockville, MD 20852.

**Status:** The meeting will be open to the public.

**Purpose:** The Council on Graduate Medical Education (the Council), created in 1986, is authorized by section 762 of the Public Health Service Act, as amended by section 5103 of the Affordable Care Act.

The Council provides advice and recommendations to the Secretary of Health and Human Services and to Congress on a range of issues including the supply and distribution of physicians in the United States, current and future physician shortages or excesses, issues relating to foreign medical school graduates, the nature and financing of medical education training, and the development of performance measures and longitudinal evaluation of medical education programs.

At this meeting, the Council will work on its 21st report to Congress on restructuring graduate medical education. Reports are submitted to the Secretary of the Department of Health and Human Services; the Committee on Health, Education, Labor and Pensions of the Senate; and the Committee on Energy and Commerce of the House of Representatives. Some meeting time will be allotted to discuss performance measures and longitudinal evaluation of grant programs over which the Council has legislative authority.

**Agenda:** The meeting on Monday, July 23, 2012, will begin with opening comments from HRSA senior officials. Next, elections

will take place for a chair and vice chair of the Council. The main agenda item will be a discussion of issues relating to the 21st report on restructuring graduate medical education, with a focus on population need and fiscal constraint. Discussion topics include graduate medical education as a public good, new approaches to increasing residency positions, newer structural models for graduate medical education, evaluation of teaching programs especially in terms of meeting community needs, and a re-examination of funding mechanisms and priorities. At the end of the morning session, current and new members will receive ethics training in a session closed to the public. The afternoon session will be devoted to the development of report recommendations.

The meeting on Tuesday, July 24, 2012, will begin with an update and an opportunity to comment on HRSA's Bureau of Health Professions' development of performance measures and methods of longitudinal evaluation specific to the training programs over which the Council has been given new authority under the Affordable Care Act. Much of the agenda will be allotted to small groups working in closed session and then reporting back to the full Council. The Council will plan for a fall meeting, using a webinar format, and determine report work to be done in the interim. Both meeting days will conclude with time for public comment.

**For Further Information Contact:** For further information regarding the Council, to obtain a roster of members, minutes of the meeting, or other relevant information, contact Jerilyn K. Glass, M.D., Ph.D., Division of Medicine and Dentistry, Bureau of Health Professions, Health Resources and Services Administration, Room 9A–27, Parklawn Building, 5600 Fishers Lane, Rockville, Maryland 20857, Telephone (301) 443–7271. Information can also be found at the following Web site: <http://www.hrsa.gov/advisorycommittees/bhpradvisory/cogme/index.html>.

Dated: June 20, 2012

**Reva Harris,**

*Acting Director, Division of Policy and Information Coordination.*

## DEPARTMENT OF HEALTH AND HUMAN SERVICES

### Health Resources and Services Administration

#### Statement of Organization, Functions and Delegations of Authority

This notice amends Part R of the Statement of Organization, Functions and Delegations of Authority of the Department of Health and Human Services (HHS), Health Resources and Services Administration (HRSA) (60 FR 56605, as amended November 6, 1995; as last amended at 77 FR 21565–21568 dated April 10, 2012).

This notice reflects organizational changes to the Health Resources and Services Administration. This notice updates the functional statement for the Healthcare Systems Bureau (RR). Specifically, this notice: (1) Renames the Division of Health Facilities to the Division of Poison Control and Healthcare Facilities (RR9); (2) transfers the function of the Poison Control Program from the Office of the Associate Administrator (RR), to the Division of Poison Control and Healthcare Facilities (RR9); (3) updates the functional statement for the Office of the Associate Administrator (RR); and (4) updates the functional statement for the Division of Poison Control and Healthcare Facilities (RR9).

### Chapter RR—Healthcare Systems Bureau

#### Section RR–10, Organization

Delete in its entirety and replace with the following:

The Healthcare Systems Bureau (RR) is headed by the Associate Administrator, who reports directly to the Administrator, Health Resources and Services Administration. The Healthcare Systems Bureau includes the following components:

- (1) Office of the Associate Administrator (RR);
- (2) Division of Transplantation (RR1);
- (3) Division of Vaccine Injury Compensation (RR4);
- (4) Office of Pharmacy Affairs (RR7); and
- (5) Division of Poison Control and Healthcare Facilities (RR9).

#### Section RR–20, Functions

- (1) Delete the functional statement for the Office of the Associate Administrator (RR) and replace in its entirety; and (2) delete the functional statement for the Division of Health Facilities and replace in its entirety.

Office of the Associate Administrator (RR)

The Healthcare Systems Bureau leads the Agency in providing health care programs to eligible organizations around the country. Specifically, (1) Administers the Organ Transplantation Program to include the Organ Procurement and Transplantation Network to facilitate the allocation of donor organs to patients waiting for an organ transplant and the Scientific Registry of Transplant Recipients that provides analytic support to the Organ Procurement and Transplantation Network in the development and assessment of organ allocation and other Organ Procurement and Transplantation
