[Docket No. APHIS–2009–0083]

RIN 0579–AD22

#### Brucellosis Class Free States and Certified Brucellosis-Free Herds; Revisions to Testing and Certification Requirements

**AGENCY:** Animal and Plant Health Inspection Service, USDA.

**ACTION:** Final rule; technical amendment.

**SUMMARY:** In a final rule that was published in the **Federal Register** on November 10, 2014, and effective on December 10, 2014, we adopted, with changes, an interim rule that amended the brucellosis regulations to, among other things, reduce the age at which most cattle and domestic bison are included in herd blood tests. In that amendment we intended to include all sexually intact cattle and domestic bison 18 months of age or older in herd blood tests, however we inadvertently omitted the words “or older.” This document corrects that error.

**DATES:** Effective February 3, 2015.

**FOR FURTHER INFORMATION CONTACT:** Dr. Mike Carter, Assistant Director, Cattle Health Center, Surveillance, Preparedness and Response Services, VS, APHIS, 4700 River Road Unit 43, Riverdale, MD 20737–1231; (301) 851–3510.

**SUPPLEMENTARY INFORMATION:** In a final rule<sup>1</sup> published in the **Federal Register** on November 10, 2014 (79 FR 66591–66597, Docket No. APHIS–2009–0083), with an effective date of December 10, 2014, we adopted, with changes, an

interim rule<sup>1</sup> that amended the brucellosis regulations in 9 CFR part 78 to, among other things, reduce the age at which most cattle and domestic bison are included in herd blood tests. In that document, we amended the interim rule by changing the age at which cattle and domestic bison are included in herd blood tests from 6 months to 18 months of age for all sexually intact cattle and domestic bison, except when conducting herd blood tests as part of affected herd investigations or other epidemiological investigations. In that amendment, we intended to include all sexually intact cattle and domestic bison 18 months of age or older in herd blood tests. While the language in the preamble makes this intention clear, we inadvertently omitted the words “or older” from the definition for *herd blood test* in § 78.1. We are correcting this omission in this technical amendment.

#### List of Subjects in 9 CFR Part 78

Animal diseases, Bison, Cattle, Hogs, Quarantine, Reporting and recordkeeping requirements, Transportation.

Accordingly, we are amending 9 CFR part 78 as follows:

#### 9 CFR Part 97

[Docket No. APHIS–2004–0108]

#### Commuted Traveltime; Correction

**AGENCY:** Animal and Plant Health Inspection Service, USDA.

**ACTION:** Correcting amendment.

**SUMMARY:** In a final rule published in the **Federal Register** on April 1, 2005, and effective on April 1, 2005, we amended the regulations concerning overtime services provided by employees of the Agency’s Plant Protection and Quarantine and Veterinary Services programs by adding or amending commuted traveltime allowances for travel between certain locations in Texas, New Mexico, and Mexico. In the final rule, two commuted traveltime allowances that should have appeared in the “within the metropolitan area” column were erroneously printed in the “outside the metropolitan area” column. This document corrects those errors.

**DATES:** Effective February 3, 2015.

**FOR FURTHER INFORMATION CONTACT:** Dr. Adis Dijab, Air and Sea Port Services Director, National Import Export Services, VS, APHIS, 1445 Federal Drive, Suite 226, Montgomery, AL 36107; (334) 551–2181.

**SUPPLEMENTARY INFORMATION:** In a final rule that was published in the **Federal Register** on April 1, 2005 (70 FR 16691–16693, Docket No. 04–108–1), and effective on April 1, 2005, we amended the regulations concerning overtime services provided by employees of the Animal and Plant Health Protection Service’s Plant Protection and Quarantine and Veterinary Services programs by adding or amending commuted traveltime allowances for travel between certain locations in Texas, New Mexico, and Mexico. Among other things, we increased the commuted traveltime allowance from 1 to 2 hours for Dallas-Fort Worth International Airport served from Fort Worth or Dallas, TX, within the metropolitan area. The commuted traveltime allowance of 2 hours for Houston (including Houston Intercontinental Airport) served from

within the metropolitan area remained the same. However, when the final rule was published, those two commuted travel time allowances appeared in the “outside” rather than “within” columns under metropolitan area in the table. This document corrects those errors.

#### List of Subjects in 9 CFR Part 97

Exports, Government employees, Imports, Livestock, Poultry and poultry

products, Travel and transportation expenses.

Accordingly, 9 CFR part 97 is corrected by making the following correcting amendments:

### 12 CFR Part 217

[Docket No. R–1508]

RIN 7100–AE 29

#### Regulation Q; Regulatory Capital Rules: Interim Final Rule To Exempt Small Savings and Loan Holding Companies From the Regulatory Capital Rules

**AGENCY:** Board of Governors of the Federal Reserve System (Board).

**ACTION:** Interim final rule with request for comment.

**SUMMARY:** The Board invites comment on an interim final rule that would exempt savings and loan holding companies that have total consolidated assets of less than \$500 million and meet certain other requirements from

the Board’s regulatory capital requirements (Regulation Q). This interim final rule implements a law recently passed by the U.S. Congress, which exempts small savings and loan holding companies from the minimum capital requirements mandated by section 171 of the Dodd-Frank Wall Street Reform and Consumer Protection Act that would meet the Board’s Small Bank Holding Company Policy Statement if they were bank holding companies. In connection with this interim final rule, the Board is proposing to remove the requirement that qualifying savings and loan holding companies complete Schedule SC–R, Part I (Regulatory Capital Components and Ratios), of form FR Y–9SP (Parent Company Only Financial Statements for Small Holding Companies).

**DATES:** This interim final rule is effective January 30, 2015. Comments on the interim final rule must be received on or before March 5, 2015. Comments on the Paperwork Reduction Act burden estimates must be received on or before April 6, 2015.
