

2024); Letter from TCL's counsel, Yun Louise Lu, to Secretary at 1 (May 2, 2024).

On May 17, 2024, Realtek filed a response to the Second Corrected Petition and motion to limit service stating that it "takes no position" on whether the Second Corrected Petition should be granted because Petitioners again failed to disclose certain information required by Commission Rules 210.76(a)(1) and (a)(3). Realtek also stated that Petitioners failed to show good cause to support their request for limited service of the confidential versions of the exhibits attached to the Second Corrected Petition.

The Commission, having reviewed the record in this investigation, including Petitioners' Second Corrected Petition and motion for limited service, Realtek's response thereto, as well as AMD's and TCL's separate correspondence to the Secretary requesting confidential treatment of the business information contained in Exhibits G, H, and I, has determined that the Second Corrected Petition satisfies the requirements of Commission Rule 210.76(a)(3), 19 CFR 210.76(a)(3). The Commission has further determined that the conditions justifying the remedial orders against TCL no longer exist, and, therefore, granting the Second Corrected Petition is warranted under section 337(k), 19 U.S.C. 1337(k), and Commission Rule 210.76(a)(3). Accordingly, the Commission has determined to institute modification and rescission proceedings and to modify the LEO to remove reference to TCL and rescind in full the CDOs against TCL based on the settlement agreement between Petitioners. The Commission also finds that Petitioners have shown the requisite good cause under Commission Rule 210.76(a)(3) to grant their motion for limited service of confidential Exhibits G, H, and I. The Commission issues a modified LEO and an order herewith setting forth its determinations.

The modification and rescission proceedings are terminated.

The Commission vote for this determination took place on June 7, 2024.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: June 7, 2024.

Lisa Barton,

Secretary to the Commission.
