BILLING CODE 4510-26-P

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

36 CFR Part 1253

RIN 3095-AB08

NARA Facilities; Addresses and Hours

AGENCY: National Archives and Records Administration (NARA).

ACTION: Proposed rule.

SUMMARY: The National Archives and Records Administration proposes to amend its regulation that lists NARA facilities and hours when the public and other Federal agency staff may use the records in those facilities. This proposed rule includes corrections to email addresses for the Presidential libraries, corrections to phone and fax numbers, and in some cases, modifies the hours that these facilities are open for research. In addition, NARA is also proposing a uniform policy on research

room facility closings for Federal holidays in order to standardize them throughout NARA. This proposed rule affects members of the public who do research at NARA facilities.

DATES: Comments are due by June 14, 2002.

ADDRESSES: Comments must be sent to Regulation Comments Desk (NPOL), Room 4100, Policy and Communications Staff, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001. They may be faxed to 301-713-7270. You may also comment via email to comments@nara.gov. Please see the **SUPPLEMENTARY INFORMATION** section of the preamble for additional information on email submissions.

FOR FURTHER INFORMATION CONTACT: Kim Richardson at telephone number 301-713-7360, ext. 240, or fax number 301-713-7270.

SUPPLEMENTARY INFORMATION: This proposed regulation includes information on several changes that have occurred since the last update to 36 CFR part 1253. Listings of Presidential libraries, records centers, and regional archives are revised to include corrected telephone and fax numbers, and research hours, and for Presidential libraries, email addresses.

NARA is also proposing a uniform policy on research room facility closings for Federal holidays that are on a Saturday. NARA has always closed its research room facilities on Federal holidays and this remains unchanged. However, NARA is proposing that when a Federal holiday occurs on a Saturday but the official observance is on the preceding Friday, the facility will close on the Saturday as well as the preceding Friday. Previously, closing the research room facilities on a Saturday when one of the Federal holidays occurred on that day, but was observed on the preceding Friday, was done on an ad hoc basis. The proposed policy standardizes the practice throughout NARA. The only dates that would be affected by the proposed policy are January 1st, the Fourth of July, Veteran's Day, and December 25th. These instances do not occur very often: In 2001 and 2002, there are no instances; in 2003, there is one instance on the Fourth of July; in 2004 there are two instances on December 25th and January 1st; and in 2005 and 2006 there is one instance on Veteran's Day. This proposed policy applies to the research room facilities in the Washington, DC, area which are open Saturday and research rooms in some of the Presidential libraries and regional archives services facilities which may also be open on Saturday.

Please submit email comments within the body of your email message or attach comments as an ASCII file avoiding the use of special characters and any form of encryption. Please also include "Attn: 3095-AB08" and your name and return address in your Internet message. If you do not receive a confirmation that we have received your email message, contact the Regulation Comment Desk at 301-713-7360, ext. 226.

This proposed rule is not a significant regulatory action for the purposes of Executive Order 12866 and has not been reviewed by the Office of Management and Budget. As required by the Regulatory Flexibility Act, I certify that this proposed rule will not have a significant impact on a substantial number of small entities. This regulation does not have any federalism implications.
