OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

Trade Policy Staff Committee; Notice of Availability and Request for Public Comment on Interim Environmental Review of United States-Central America Free Trade Agreement

AGENCY: Office of the United States Trade Representative.

ACTION: Notice of availability and request for public comment.

SUMMARY: The Office of the U.S. Trade Representative (USTR), on behalf of the Trade Policy Staff Committee (TPSC), seeks comment on the interim environmental review of the proposed U.S.-Central America Free Trade Agreement (CAFTA). The interim environmental review is available at <http://www.ustr.gov/environment/environmental.shtml>. Copies of the review will also be sent to interested members of the public by mail upon request.

DATES: Comments on the draft environmental review are requested no later than October 15, 2003, and earlier if possible. Comments received before September 15, 2003, will be used to inform the seventh round of negotiations, currently scheduled for September 15-19. Comments received after September 15, 2003, will be used to inform subsequent rounds of negotiations. After the seventh round, two more rounds of negotiations are scheduled, with the concluding round in December 2003.

¹⁹ 17 CFR 200.30-3(a)(12).

FOR FURTHER INFORMATION CONTACT: For procedural questions concerning public comments, contact Gloria Blue, Executive Secretary, TPSC, Office of the USTR, 1724 F Street, NW., Washington, DC 20508, telephone (202) 395-3475. Questions concerning the environmental review, or requests for copies, should be addressed to Alice Mattice or David Brooks, Environment and Natural Resources Section, Office of the USTR, telephone 202-395-7320.

SUPPLEMENTARY INFORMATION: The Trade Act of 2002, signed by the President on August 6, 2002, provides that the President shall conduct environmental reviews of [certain] trade agreements consistent with Executive Order 13121—*Environmental Review of Trade Agreements* (64 FR 63,169, Nov. 18, 1999) and its implementing guidelines (65 FR 79,442, Dec. 19, 2000) and report on such reviews to the Committee on Ways and Means of the House of Representatives and the Committee on Finance of the Senate. The Order and guidelines are available at <http://www.ustr.gov/environment/environmental.shtml>.

The purpose of environmental reviews is to ensure that policymakers and the public are informed about reasonably foreseeable environmental impacts of trade agreements (both positive and negative), to identify complementarities between trade and environmental objectives, and to help shape appropriate responses if environmental impacts are identified. Reviews are intended to be one tool, among others, for integrating environmental information and analysis into the fluid, dynamic process of trade negotiations. USTR and the Council on Environmental Quality jointly oversee implementation of the Order and Guidelines. USTR, through the Trade Policy Staff Committee (TPSC), is responsible for conducting the individual reviews.

SUPPLEMENTARY INFORMATION:

1. Background

Under section 2104 of the Trade Act of 2002 (Trade Act) (19 U.S.C. 3804), for agreements that will be approved and implemented through trade promotion authority (TPA) procedures, the President must provide the Congress with at least 90 days written notice of his intent to enter into negotiations and must identify the specific objectives for the negotiations. Before and after the submission of this notice, the President must consult with appropriate Congressional committees and the Congressional Oversight Group regarding the negotiations.

Under section 131 of the Trade Act of 1974, as amended (19 U.S.C. 2151), the President must seek the advice of the U.S. International Trade Commission (ITC) regarding the probable economic effects on U.S. industries and consumers of the removal of tariffs and non-tariff barriers on imports pursuant to any proposed agreement. In addition, pursuant to section 133, the President must afford interested persons an opportunity to present their views regarding any matter relevant to any proposed agreement.

On August 4, 2003, after consulting with relevant Congressional committees and the Congressional Oversight Group, the USTR notified the Congress that the President intends to initiate free trade agreement negotiations with the Dominican Republic and identified specific objectives for the negotiations. Through these negotiations, we expect to provide for essentially the same disciplines as those in the Free Trade Agreement we are currently negotiating with the five member countries of the Central American Economic Integration System (Costa Rica, El Salvador, Guatemala, Honduras, and Nicaragua) (CAFTA), and to negotiate specific market access commitments with the Dominican Republic. On August 6, 2003, the USTR requested the ITC to provide advice on probable economic effects. The ITC intends to provide this advice within four months of its receipt of the request.
