

executed.¹⁰ Under the proposal, any remaining balance of the incoming quote that did not execute against the PIP Order, and that would execute against a resting order or quote on the BOX Book, will be rejected.

The Exchange represents that it will provide BOX Participants with notice, via Information Circular, about the implementation date of the proposed rule change.

III. Discussion and Commission Findings

After careful review, the Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange and, in particular, with Section 6(b) of the Act.¹¹ Specifically, the Commission finds that the proposed rule change is consistent with Section 6(b)(5) of the Act,¹² which requires, among other things, that a national securities exchange have rules designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Commission believes that the proposed rule change is designed to help Market Makers more efficiently submit quotes to provide liquidity on BOX, which could benefit investors. The Commission notes that Market Makers still will be able to take liquidity on BOX by submitting orders in or out of their appointed classes.¹³ In addition, according to the Exchange, the

proposed rule change will not alter a Market Maker's obligations pursuant to BOX Rules 8040 and 8050, including the obligation to provide continuous two-sided quotes on a daily basis.¹⁴ Further, the Commission notes that other options exchanges offer liquidity adding only order types.¹⁵

IV. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,¹⁶ that the proposed rule change (SR-BOX-2016-45) be, and hereby is, approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹⁷

Secretary.
