The Department shall determine, and the Customs Service shall assess, antidumping duties on all appropriate entries. If these preliminary results are adopted in our final results, we will direct Customs to liquidate the entries made during the POR without regard to antidumping duties. The Department will issue appraisal instructions directly to the U.S. Customs Service.

Furthermore, the following cash deposit rates will be effective upon publication of the final results for all shipments of HSLWs from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(1) of the Act: (1) for Hangzhou, which has a separate rate, the cash deposit rate will be the company-specific rate established in the final results of review; (2) for all other PRC exporters, the cash deposit rate will be the PRC rate, 128.63 percent, which is the All Other PRC Manufacturers, Producers and Exporters rate from the *Final Determination of Sales at Less Than Fair Value: Certain Helical Spring Lock Washers from the PRC*, 58 FR 48833 (September 20, 1993); and, (3) for non-PRC exporters of subject merchandise from the PRC, the cash deposit rate will be the rate applicable to the PRC supplier of that exporter. These deposit rates, when imposed, shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.
