

ATS requires alternative trading systems to preserve any records made in the process of complying with the systems' capacity, integrity and security requirements. In addition, such alternative trading systems are required to notify Commission staff of material systems outages and significant systems changes.

The Commission uses the information provided pursuant to the Rule to comprehensively monitor the growth and development of alternative trading systems to confirm that investors effecting trades through the systems are adequately protected, and that the systems do not impede the maintenance of fair and orderly securities markets or otherwise operate in a manner that is inconsistent with the federal securities laws. In particular, the information collected and reported to the Commission by alternative trading systems enables the Commission to evaluate the operation of alternative trading systems with regard to national market system goals, and monitor the competitive effects of these systems to ascertain whether the regulatory framework remains appropriate to the operation of such systems. Without the information provided on Forms ATS and ATS-R, the Commission would not have readily available information on a regular basis in a format that will allow it to determine whether such systems have adequate safeguards.

Respondents consist of alternative trading systems that choose to register as broker-dealers and comply with the requirements of Regulation ATS. The Commission estimates that there are currently approximately 50 respondents.

An estimated 50 respondents will file an average total of 379 responses per year, which corresponds to an estimated annual response burden of 1532.5 hours. At an average cost per burden hour of approximately \$77.03, the resultant total related cost of compliance for these respondents is \$118,046.26 per year (1,532.5 burden hours multiplied by \$77.03 per hour; a slight discrepancy is due to arithmetic rounding).

Written comments are invited on (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including

through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Direct your written comments to R. Corey Booth, Director/Chief Information Officer, Office of Information Technology, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549.

Dated: June 8, 2004.

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

Sunshine Act Meetings

Notice is hereby given, pursuant to the provisions of the Government in the Sunshine Act, Public Law 94-409, that the Securities and Exchange Commission will hold the following meetings during the week of June 21, 2004:

An Open Meeting will be held on Wednesday, June 23, 2004 at 9:30 a.m. in Room 1C30; and a Closed Meeting will be held on Thursday, June 24, 2004 at 2 p.m.

Commissioners, Counsel to the Commissioners, the Secretary to the Commission, and recording secretaries will attend the Closed Meeting. Certain staff members who have an interest in the matters may also be present.

The General Counsel of the Commission, or his designee, has certified that, in his opinion, one or more of the exemptions set forth in 5 U.S.C. 552b(c)(3), (5), (7), (9)(B), and (10) and 17 CFR 200.402(a)(3), (5), (7), 9(ii) and (10), permit consideration of the scheduled matters at the Closed Meeting.

Commissioner Goldschmid, as duty officer, voted to consider the items listed for the closed meeting in closed session.

The subject matter for the Open Meeting scheduled for Wednesday June 23, 2004 will be:

1. The Commission will consider whether to adopt amendments to short sale regulation under new Regulation SHO, and revisions to Rule 105 of Regulation M (short selling in connection with a public offering), both under the Securities Exchange Act of 1934.

For further information please contact Kevin Campion, Lillian Hagen, or Alexandra Albright at (202) 942-0772.

2. The Commission will consider whether to adopt amendments to Schedule 14A under the Securities Exchange Act of 1934, and to

Forms N-1A, N-2, and N-3 under the Securities Act of 1933 and the Investment Company Act of 1940. The amendments would require a registered management investment company to provide disclosure in its reports to shareholders regarding the basis for the board of directors' approval of an investment advisory contract. They would also enhance existing disclosure requirements in proxy statements regarding the basis for the board's recommendation that shareholders approve an advisory contract.

For further information, please contact Deborah D. Skeens at (202) 942-0562.

3. The Commission will consider whether to adopt amendments to rules 0-1, 10f-3, 12b-1, 15a-4, 17a-7, 17a-8, 17d-1, 17e-1, 17g-1, 18f-3, and 23c-3 under the Investment Company Act of 1940, to require investment companies that rely on certain exemptive rules to adopt certain governance practices. The Commission also will consider whether to adopt an amendment to rule 31a-2, the investment company recordkeeping rule, to require that investment companies retain copies of written materials that the directors consider when approving investment advisory contracts.

For further information, please contact Catherine E. Marshall at (202) 942-0719.

The subject matter for the Closed Meeting scheduled for Thursday, June 24, 2004 will be:

Formal orders of investigation;

Institution and settlement of injunctive actions; and

Institution and settlement of administrative proceedings of an enforcement nature.

At times, changes in Commission priorities require alterations in the scheduling of meeting items. For further information and to ascertain what, if any, matters have been added, deleted or postponed, please contact:

The Office of the Secretary at (202) 942-7070.

Dated: June 15, 2004.

Jonathan G. Katz,

Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-49846; International Series Release No. 1277]

List of Foreign Issuers That Have Submitted Information Under the Exemption Relating to Certain Foreign Securities

June 10, 2004.

Foreign private issuers with total assets in excess of \$10,000,000 and a class of equity securities held of record by 500 or more persons, of which 300 or more reside in the United States, are subject to registration under section

12(g) of the Securities Exchange Act of 1934¹ (the "Act").²

Rule 12g3-2(b)³ provides an exemption from registration under section 12(g) of the Act with respect to a foreign private issuer that submits to the Commission, on a current basis, the material required by the Rule. The informational requirements are designed to give investors access to certain information so they have the opportunity to inform themselves about the issuer. The Rule requires the issuer to provide the Commission with information that it: (1) Has made or is required to make public pursuant to the law of the country of its domicile or in which it is incorporated or organized; (2) has filed or is required to file with a stock exchange on which its securities are traded and that was made public by such exchange; and/or (3) has

distributed or is required to distribute to its security holders.

When the Commission adopted Rule 12g3-2(b) and other rules⁴ relating to foreign securities, it indicated that from time to time it would publish lists of foreign issuers that have claimed exemptions from the registration provisions of section 12(g) of the Act.⁵ The purpose of this release is to call to the attention of brokers, dealers, and investors that some form of relatively current information concerning the issuers included in this list is available in our public files.⁶ We also wish to bring to the attention of brokers, dealers, and investors the fact that current information concerning foreign issuers may not necessarily be available in the United States.⁷ We continue to expect that brokers and dealers will consider this fact in connection with their

obligations under the federal securities laws to have a reasonable basis for recommending those securities to their customers.⁸

You may direct any questions regarding Rule 12g3-2 or the list of issuers in this release to Michael Pressman, Office of International Corporate Finance, Division of Corporation Finance, Securities and Exchange Commission, Washington, DC 20549-0302 ((202) 942-2990). This release is available on the Commission's Web site: <http://www.sec.gov/rules/other/shtml>.

For the Commission, by the Division of Corporation Finance, pursuant to delegated authority.

Dated: June 10, 2004.

Margaret H. McFarland,
Deputy Secretary.

⁷ Paragraph (a)(4) of Rule 15c2-11 (17 CFR 240.15c2-11) requires a broker-dealer initiating a quotation for securities of a foreign private issuer to review, maintain in its files, and make reasonably available upon request the information furnished to the Commission pursuant to Rule 12g3-2(b) since the beginning of the issuer's last fiscal year.

⁸ See, e.g., *Hanley v. SEC*, 415 F.2d 589 (2d Cir. 1969) (broker-dealer cannot recommend a security unless an adequate and reasonable basis exists for such recommendation).
