SUPPLEMENTARY INFORMATION:

Background

On November 24, 1997, the Department published *Extruded Rubber Thread From Malaysia, Final Results of Antidumping Duty Administrative Review*, 62 FR 62547 (November 24, 1997) ("*Final Results*"), covering the period October 1, 1993 through September 30, 1994. Subsequent to the publication of the Department's *Final Results*, two respondents (Rubberflex Sdn. Bhd., and Rubfil Sdn. Bhd.) appealed the *Final Results* to the Court.

Based on these challenges the Court remanded the *Final Results*. *See Heveafil Sdn. Bhd., Rubberflex Sdn. Bhd. and Rubfil Sdn. Bhd., v. the United States*, Slip Op. 99-68 (July 23, 1999). On remand, the Court instructed the Department to (1) repeat the verification of Rubberflex Sdn. Bhd. ("Rubberflex") and (2) revise the margin calculation program to convert the ocean freight expense for Rubfil Sdn. ("Rubfil") to U.S. dollars and to recalculate Rubfil's U.S. prices.

As a result of settlement negotiations, Rubberflex entered into an agreement with the Department to settle the litigation and to dismiss its claim with respect to the lawsuit. On October 22,

1999, the Department filed its remand determination with the Court, addressing issues related to Rubfil. In its determination, the Department revised the margin calculation program to convert the ocean freight expense to U.S. dollars and to recalculate Rubfil's U.S. prices.

As noted above, on November 24, 1999, the Court affirmed the Department's remand results and no appeal was filed. As there is now a final and conclusive court decision in this action, we are amending our *Final Results* of review in this matter and we will instruct the U.S. Customs Service ("Customs") to liquidate entries subject to this review in accordance with the remand results. Because the Department has published subsequent administrative reviews covering later time frames, future cash deposits will be governed by the most recently completed administrative review, according to the Department's normal procedures. *See Extruded Rubber Thread From Malaysia; Final Results of Antidumping Duty Administrative Review*, 65 FR 6140 (February 8, 2000).

Amended Final Results

Pursuant to section 516A(e) of the Act, we are now amending the *Final Results*. As a result of our recalculation of the margins, the final weighted-average margin for Rubfil has changed. Further, as a result of the settlement agreement, the final weighed-average margin for Rubberflex has changed. The final weighted-average margins for the above period of review are as follows:

Producer/manufacturer/exporter	Weighted-average margin (percent)
Rubfil Sdn. Bhd	11.81
Rubberflex	10.00

The Department will determine, and Customs shall assess, antidumping duties on all appropriate entries. The Department will issue appraisement instructions to Customs after publication of this amended final results of review.

This determination is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.
