Tsao, Chief Counsel for China Enforcement, at (202) 395-3150.

SUPPLEMENTARY INFORMATION:

I. Background

China became a Member of the WTO on December 11, 2001. In accordance with section 421 of the U.S.-China Relations Act of 2000 (Pub. L. 106-286), USTR is required to submit, on or about December 11 of each year, a report to Congress on China's compliance with commitments made in connection with its accession to the WTO, including both multilateral commitments and any bilateral commitments made to the United States. In accordance with section 421, and to assist it in preparing this year's report, the TPSC is soliciting public comments. You can find last year's report on USTR's website at <https://ustr.gov/sites/default/files/files/reports/2020/2020USTRReportCongressChinaWTOCompliance.pdf>.

The terms of China's accession to the WTO are contained in the Protocol on the Accession of the People's Republic of China (including its annexes) (Protocol), the Report of the Working Party on the Accession of China (Working Party Report), and the WTO agreements. You can find the Protocol and Working Party Report on the WTO website at <http://docsonline.wto.org> (document symbols: WT/L/432, WT/MIN(01)/3, WT/MIN(01)/3/Add.1, WT/MIN(01)/3/Add.2).

II. Topics on Which the TPSC Seeks Information

The TPSC invites written comments on China's compliance with commitments made in connection with its accession to the WTO, including, but not limited to, commitments in the following areas:

- A. Trading rights.
- B. Import regulation (e.g., tariffs, tariff-rate quotas, quotas, import licenses).
- C. Export regulation.
- D. Internal policies affecting trade (e.g., subsidies, standards and technical regulations, sanitary and phytosanitary measures, government procurement,

trade-related investment measures, taxes and charges levied on imports and exports).

E. Intellectual property rights (including intellectual property rights enforcement).

F. Services.

G. Rule of law issues (e.g., transparency, judicial review, uniform administration of laws and regulations) and status of legal reform.

H. Other WTO commitments.

In addition, given the United States' view that China should be held accountable as a full participant in, and beneficiary of, the international trading system, USTR requests that commenters specifically identify unresolved compliance issues that warrant review and evaluation by USTR's China Enforcement Task Force.

III. Public Participation

Due to COVID-19, the TPSC will foster public participation via written submissions rather than an in-person hearing on China's compliance with the commitments made in connection with its accession to the WTO. In accordance with the schedule set out in the Dates section above, USTR invites written comments from the public. The TPSC will review the written comments and may pose written clarifying questions to the commenters. The TPSC will post the written questions on the public docket, other than questions that include properly designated business confidential information (BCI). USTR will send questions that include properly designated BCI to the relevant commenters by email and will not post these questions on the public docket. Written responses to questions that contain BCI must follow the procedures in section IV below.

IV. Requirements for Submissions

In order to be assured of consideration, we must receive your written comments in English by 11:59 p.m. EDT on September 15, 2021. USTR strongly encourages commenters to make online submissions, using REGS.GOV. On the first page, please identify the submission as 'China's WTO Compliance.'

To submit comments via www.regulations.gov, enter docket number USTR-2021-0015 on the home page and click 'search.' The site will provide a search-results page listing all documents associated with this docket. Find a reference to this notice and click on the link entitled 'comment now'. For further information on using REGS.GOV, please consult the resources provided on the website by clicking on 'How to Use Regulations.gov' on the

bottom of the home page. USTR will not accept hand-delivered submissions.

REGS.GOV allows users to submit comments by filling in a 'type comment' field or by attaching a document using the 'upload file' field. USTR prefers that you submit comments in an attached document. If you attach a document, it is sufficient to type 'see attached' in the 'type comment' field. USTR prefers submissions in Microsoft Word (.doc) or Adobe Acrobat (.pdf). If you use an application other than those two, please indicate the name of the application in the 'type comment' field.

Filers submitting comments that do not include BCI should name their file using the name of the person or entity submitting the comments. For any comments submitted electronically containing BCI, the file name of the business confidential version should begin with the characters 'BCI'. Any page containing business confidential information must be clearly marked 'BUSINESS CONFIDENTIAL' on the top of that page. Filers of submissions containing BCI also must submit a public version of their comments that we will place in the docket for public inspection. The file name of the public version should begin with the character 'P'. The 'BCI' and 'P' should be followed by the name of the person or entity submitting the comments.

Please do not attach separate cover letters to electronic submissions; rather, include any information that might appear in a cover letter in the comments themselves. Similarly, to the extent possible, please include any exhibits, annexes, or other attachments in the same file as the submission itself, not as separate files.

As noted, USTR strongly urges that you file submissions through *REGS.GOV*. You must make any alternative arrangements with Spencer Smith at *Spencer.L.Smith2@ustr.eop.gov* or (202) 395-2974 before transmitting a submission and in advance of the relevant deadline.

USTR will post written submissions in the docket for public inspection, except BCI. You can view written submissions on *REGS.GOV* by entering docket number USTR-2021-0015 in the search field on the home page. General information concerning USTR is available at *www.ustr.gov*.

Title: FAA Entry Point Filing Form—International Registry.

Form Numbers: AC Form 8050-135.

Type of Review: Renewal of an information collection.

Background: The **Federal Register** Notice with a 60-day comment period soliciting comments on the following collection of information was published on January 28, 2021 (86 FR 7453). The information collected is necessary to obtain an authorization code for transmission of information to the International Registry. The Convention on International Interest in Mobile Equipment, as modified by the Protocol to the Convention on International Interests in Mobile Equipment on Matters Specific to Aircraft Equipment (Cape Town Treaty), provides for the creation and sustainment of the International Registry. The International Registry is an electronic registry system that works in tandem with the current system operated by the FAA Civil Aviation Registry (Registry) for the United States.

Congress has designated the Registry as the exclusive United States Entry Point for transmissions to the International Registry. To transmit certain types of interests or prospective interests to the International Registry, interested parties must file a completed FAA Entry Point Filing Form—International Registry, AC Form 8050-135, with the Registry. Upon receipt of the completed form, the Registry issues a unique authorization code. The submission of the information in question is not an FAA requirement for aircraft registration. Its sole purpose is to create authorization for filing with the International Registry.

Respondents: Anyone wanting to file an interest on the International Registry. The FAA estimates up to 15,000 filed annually.

Frequency: As desired by parties with an interest in mobile equipment.

Estimated Average Burden per Response: 30 minutes.

Estimated Total Annual Burden: Based on FY2020 data of 14,360 filings, the estimated annual burden is 7,180 hours.

Issued in Oklahoma City, OK, on July 28, 2021.
