SUPPLEMENTARY INFORMATION: The Commercial Fishing Safety Advisory Committee is a federal advisory committee under the Federal Advisory Committee Act, title 5 United States Code Appendix. The Coast Guard chartered the Commercial Fishing Safety Advisory Committee to provide advice on issues related to the safety of commercial fishing industry vessels regulated under chapter 45 of title 46, U.S.C., which includes uninspected fish catching vessels, fish processing vessels, and fish tender vessels. (See 46 U.S.C. 4508.)

The Commercial Fishing Safety Advisory Committee meets at least once a year. It may also meet for other extraordinary purposes. Its subcommittees or working groups may communicate throughout the year to

prepare for meetings or develop proposals for the committee as a whole to address specific tasks.

Each member serves for a term of three years. An individual may be appointed to a term as a member more than once, but not more than two terms consecutively. All members serve at their own expense and receive no salary from the Federal Government, although travel reimbursement and per diem may be provided for called meetings.

The Coast Guard will consider applications for six (06) positions that expire or become vacant in May 2016 in the following categories:

- (a) Commercial Fishing Industry representatives (*four* positions);
- (b) General Public, (*one* position) particularly a person familiar with issues affecting fishing communities and families of fishermen; and
- (c) A Naval Architect and Marine Engineer representative of commercial fishing vessels (*one* position).

If you are selected as a member from the general public, you will be appointed and serve as a Special Government Employee as defined in section 202(a) of title 18, United States Code. As a candidate for appointment as Special Government Employee, applicants are required to complete a Confidential Financial Disclosure Report (OGE Form 450). Coast Guard may not release the reports or the information in them to the public except under an order issued by a Federal court or as otherwise provided under the Privacy Act (5 U.S.C. 552a). Applicants can obtain this form by going to the Web site of the Office of Government Ethics (www.oge.gov), or by contacting the individual listed in **FOR FURTHER INFORMATION**. Applications for a member from the general public which are not accompanied by a completed OGE Form 450 will not be considered.

Registered lobbyists are not eligible to serve on federal advisory committees in an individual capacity. See “Revised Guidance on Appointment of Lobbyist to Federal Advisory Committees, Boards and Commission” (79 CFR 47482, August 13, 2014). The position we list for a member from the general public would be someone appointed in their individual capacity and would be designated as a Special Government Employee as defined in 202(a), title 18, U.S.C. Registered lobbyists are lobbyists required to comply with provisions contained in the Lobbying Disclosure Act of 1995 (Pub. L. 104–65, as amended by title II of Pub. L. 110–81).

The Department of Homeland Security does not discriminate in selection of Committee members on the basis of race, color, religion, sex,

national origin, political affiliation, sexual orientation, gender identity, marital status, disability and genetic information, age, membership in an employee organization, or any other non-merit factor. The Department of Homeland Security strives to achieve a widely diverse candidate pool for all of its recruitment actions.

If you are interested in applying to become a member of the Committee, send your cover letter and resume to Mr. Jack Kemerer, Commercial Fishing Safety Advisory Committee Alternate Designated Federal Officer, via one of the transmittal methods in the

ADDRESSES section by the deadline in the **DATES** section. Indicate the position you wish to fill and specify your area of expertise, knowledge, and experience that qualify you for that position on the Commercial Fishing Safety Advisory Committee.

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT**[Docket No. FR–5828–N–38]****Federal Property Suitable as Facilities to Assist the Homeless**

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

FOR FURTHER INFORMATION CONTACT: Juanita Perry, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7266, Washington, DC 20410; telephone (202) 402–3970; TTY number for the hearing- and speech-impaired (202) 708–2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800–927–7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C.

11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88–2503–OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to: Ms. Theresa M. Ritta, Chief Real Property Branch, the Department of Health and Human Services, Room 5B–17, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857, (301) 443–2265 (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other

Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1–800–927–7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: *Agriculture*: Ms. Debra Kerr, Department of Agriculture, Reporters Building, 300 7th Street SW., Room 300, Washington, DC 20024, (202) 720–8873; *Health and Human Services*: Ms. Theresa M.
