Request for Nominations

AGENCY: International Trade Administration, Trade Development.
ACTION: Environmental Technologies Trade Advisory Committee (ETTAC), request for nominations.

SUMMARY: The Environmental Technologies Trade Advisory Committee (ETTAC) was established pursuant to provisions under Title IV of the Jobs Through Trade Expansion Act, 22. U.S.C. 2151, and under the Federal Advisory Committee Act, 5 U.S.C. App.2. ETTAC was first chartered on

May 31, 1994. ETTAC serves as an advisory body to the Environmental Trade Working Group of the Trade Promotion Coordinating Committee (TPCC), reporting directly to the Secretary of Commerce in his capacity as Chairman of the TPCC. ETTAC advises on the development and administration of policies and programs to expand United States exports of environmental technologies, goods, and services and products that comply with United States environmental, safety, and related requirements.

Membership in a committee operating under the Federal Advisory Committee Act must be balanced in terms of economic subsector, geographic location, and company size. Committee members serve in a representative capacity, and must be able to generally represent the views and interests of a certain subsector of the U.S. environmental industry. We are seeking senior executive-level company or environmental technologies association candidates. Members of the ETTAC have experience in exporting the full range of environmental technologies products and services including:

(5) Financial Services;
(6) Process and Prevention Technologies;
(7) Solid and Hazardous Waste Equipment and Management; and
(8) Water and Wastewater Equipment and Services.

The Secretary of Commerce invites nominations to ETTAC of U.S. citizens who will represent U.S. environmental goods and services companies that trade internationally, or trade associations whose members include U.S. companies that trade internationally. Companies must be at least 51 percent beneficially-owned by U.S. persons. U.S.-based subsidiaries of foreign companies in general do not qualify for representation on the committee.

Nominees will be considered based upon their ability to carry out the goals of ETTAC's enabling legislation as further articulated in its charter. ETTAC's Charter is available on the Internet at *http://www.environment.ita.doc.gov.* Priority will be given to a balanced representation in terms of point of view represented by various sectors, product lines, firm sizes, and geographic areas. Appointments are made without regard to political affiliation.

Nominees must be U.S. citizens, representing U.S. environmental goods and services firms that trade internationally or provide services in direct support of the international trading activities of other entities.

Self-nominations are accepted. If you are interested in nominating someone to become a member of ETTAC, please provide the following information (2 pages maximum):
