Notice Pursuant to the National Cooperative Research and Production Act of 1993—AI Infrastructure Alliance, Inc.

Notice is hereby given that, on January 4, 2023, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), AI Infrastructure Alliance, Inc. (“AIIA”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, Run:ai, Tel Aviv, ISRAEL, has been added as a party to this venture.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and AIIA intends to file additional written notifications disclosing all changes in membership.

On January 5, 2022, AIIA filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to Section 6(b) of the Act on March 10, 2022 (87 FR 13759).

The last notification was filed with the Department on August 19, 2022. A notice was published in the **Federal Register** pursuant to Section 6(b) of the Act on September 15, 2022 (87 FR 56704).

Notice Pursuant to The National Cooperative Research and Production Act of 1993—Petroleum Environmental Research Forum Project No. 2018–P10, “Facilitating Proactive Sewer Inspections at Petrochemical Sites”

Notice is hereby given that, on May 6, 2022, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. Section 4301 *et seq.* (“the Act”), Petroleum Environmental Research Forum (“PERF”) Project No. 2018–P10, entitled “Facilitating Proactive Sewer Inspections at Petrochemical Sites” (“PERF Project No. 2018–P10”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the identities of the parties to the venture and (2) the nature and objectives of the venture. The notifications were filed for the purpose of invoking the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances.

Pursuant to Section 6(b) of the Act, the identities of the parties to the venture are: ExxonMobil Technology and Engineering Company, Spring, TX; BP Products North America, Inc., Naperville, IL; Shell Global Solutions (US) Inc., Houston, TX; and TotalEnergies E&P Research & Technology USA, LLC, Houston, TX.

The general area of the PERF Project No. 2018–P10’s planned activity are, through cooperative research efforts, to explore cost-effective sewer inspection technologies and develop guidance for refining and petrochemical facilities to assess sewer integrity to help facilities identify technologies that can inspect sewers online, provide early detection of sewer integrity issues, prevent sewer failures, and minimize unplanned maintenance events.

NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

[NOTICE: (23–003)]

Name of Information Collection: NASA Software Release System

AGENCY: National Aeronautics and Space Administration (NASA).

ACTION: Notice of information collection.

SUMMARY: The National Aeronautics and Space Administration, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal

agencies to take this opportunity to comment on proposed and/or continuing information collections.

DATES: All comments should be submitted within 60 calendar days from the date of this publication.

ADDRESSES: Written comments and recommendations for this information collection should be sent within 60 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 60-day Review—Open for Public Comments” or by using the search function.

FOR FURTHER INFORMATION CONTACT:

Requests for additional information or copies of the information collection instrument(s) and instructions should be directed to Bill Edwards-Bodmer, NASA PRA Clearance Officer, NASA Headquarters, 300 E Street SW, JF0000, Washington, DC 20546, 757-864-3292, or b.edwards-bodmer@nasa.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

NASA Software Release Request System (SRS) is a workflow tool that allows Agency Software Release Authorities (SRAs) to easily develop and route software release documents, such as the Software Release Request Authorization (SRRA) and Section 508 Compliance Matrix in an automated fashion. SRAs have the added ability to perform parallel routing, including the use of time-based email reminders, tracking and reporting progress on the processing of the software release requests so they can effectively manage this process at their respective centers. Software owners/developers can submit the Software Release Requests or view their submitted Software Release Requests that may need their attention.

II. Methods of Collection

Web Based—only accessible via NASA’s internal network (e.g., on site or remotely via a NASA issued VPN).

III. Data

Title: NASA Software Release System.
OMB Number: 2700-0175.

Type of Review: Information Collection Renewal.

Affected Public: NASA Funded Contractors and Government Employees.

Average Expected Annual Number of Activities: On average 94 software packages are released per year.

Average Number of Respondents per Activity: At least one respondent will complete the form per activity (software release) which will result in approximately 94 respondents.

Annual Responses: 94.

Frequency of Responses: As needed.

Average Minutes per Response: 240 minutes.

Burden Hours: 504.

IV. Request for Comments

Comments are invited on: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of NASA, including whether the information collected has practical utility; (2) the accuracy of NASA’s estimate of the burden (including hours and cost) of the proposed collection of information; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including automated collection techniques or the use of other forms of information technology.

Comments submitted in response to this notice will be summarized and included in the request for OMB approval of this information collection. They will also become a matter of public record.

Cheryl Parker,

Federal Register Liaison Officer.

SUPPLEMENTARY INFORMATION:

OMB Number: 3133-0024.

Title: Mergers of Federally-Insured Credit Unions; Voluntary Termination or Conversion of Insured Status, 12 CFR part 708b.

Type of Review: Extension of a currently approved collection.

Abstract: Part 708b of NCUA’s rules sets forth the procedural and disclosure requirements for mergers of federally-insured credit unions, conversions from federal share insurance to nonfederal insurance, and federal share insurance terminations. Part 708b is designed to ensure NCUA has sufficient information whether to approve a proposed merger, share insurance conversion, or share insurance termination. It further ensures that members of credit unions have sufficient and accurate information to exercise their vote properly concerning a proposed merger, insurance conversion, or insurance termination. The rule also protects the property interests of members who may lose their federal share insurance due to a merger, share insurance conversion, or share insurance termination.

Affected Public: Private Sector: Businesses or other for-profits.

Estimated No. of Respondents: 160 Mergers; 4 Share Insurance Conversions; 1 Share Insurance Terminations.

Estimated No. of Responses per Respondent: 7 for Mergers, 5 for Share Insurance Conversions, and 5 for Share Insurance Terminations.

Estimated Total Annual Responses: 1,120 for Mergers, 20 for Share Insurance Conversions, and 5 for Share Insurance Terminations.

Estimated Burden Hours per Response: 35 Burden Hours for Mergers, 15 Burden Hours for Share Insurance Conversions; 2.4 Burden Hours for Share Insurance Terminations.

Estimated Total Annual Burden Hours: 5,600.

OMB Number: 3133-0163.

Title: Privacy of Consumer Financial Information Recordkeeping and Disclosure Requirements. Under the Gramm-Leach-Bliley Act and Regulation P, 12 CFR 1016.

Type of Review: Extension of a currently approved collection.

Abstract: Regulation P (12 CFR 1016) requires credit unions to disclose its privacy policies to customers as well as offer customers a reasonable opportunity to opt out—in whole or in part—of those policies to further restrict the release of their personal financial information to nonaffiliated third parties. Credit unions are required to
