

Information Collection Request

Title: Mandatory Ship Reporting System for the Northeast and Southeast Coasts of the United States.

OMB Control Number: 1625–0103.

Summary: The information is needed to reduce the number of ship collisions with endangered northern right whales. Coast Guard rules at 33 CFR part 169 establish two mandatory ship-reporting systems off the northeast and southeast coasts of the United States.

Need: The collection involves ships' reporting by radio to a shore-based authority when entering the area covered by the reporting system. The ship will receive, in return, information to reduce the likelihood of collisions between themselves and northern right whales—an endangered species—in the areas established with critical-habitat designation.

Forms: None.

Respondents: Operators of certain vessels.

Frequency: On occasion

Hour Burden Estimate: The estimated burden remains 137 hours a year.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. chapter 35, as amended.

Dated: May 9, 2024.

Kathleen Claffie,

Chief, Office of Privacy Management, U.S. Coast Guard.

SUPPLEMENTARY INFORMATION:**Public Participation and Request for Comments**

This notice relies on the authority of the Paperwork Reduction Act of 1995; 44 U.S.C. 3501 *et seq.*, chapter 35, as amended. An ICR is an application to OIRA seeking the approval, extension, or renewal of a Coast Guard collection of information (Collection). The ICR contains information describing the Collection's purpose, the Collection's likely burden on the affected public, an explanation of the necessity of the Collection, and other important information describing the Collection. There is one ICR for each Collection.

The Coast Guard invites comments on whether this ICR should be granted based on the Collection being necessary for the proper performance of Departmental functions. In particular, the Coast Guard would appreciate comments addressing: (1) the practical utility of the Collection; (2) the accuracy of the estimated burden of the Collection; (3) ways to enhance the quality, utility, and clarity of information subject to the Collection; and (4) ways to minimize the burden of the Collection on respondents, including the use of automated collection techniques or other forms of information technology.

In response to your comments, we may revise this ICR or decide not to seek an extension of approval for the

Collection. We will consider all comments and material received during the comment period.

We encourage you to respond to this request by submitting comments and related materials. Comments must contain the OMB Control Number of the ICR and the docket number of this request, USCG–2024–0335, and must be received by July 19, 2024.

Information Collection Request

Title: Ports and Waterways Safety—Title 33 CFR Subchapter P.

OMB Control Number: 1625–0043.

Summary: This collection of information allows the master, owner, or agent of a vessel affected by these rules to request a deviation from the requirements governing navigation safety equipment to the extent that there is no reduction in safety.

Need: Provisions in title 33 CFR subchapter P, allow any person directly affected by the rules in that subchapter to request a deviation from any of the requirements as long as it does not compromise safety. This collection enables the Coast Guard to evaluate the information the respondent supplies, to determine whether it justifies the request for a deviation.

Forms: None.

Respondents: Master, owner, or agent of a vessel.

Frequency: On occasion.

Hour Burden Estimate: The estimated burden has decreased from 2,033 hours to 1,463 hours a year, due to a decrease in the estimated annual number of responses.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. chapter 35, as amended.

Dated: May 9, 2024.
