

“Statement of Energy Effects” for “significant energy actions.” This should include a detailed statement of any adverse effects on energy supply, distribution, or use (including a shortfall in supply, price increases, and increased use of foreign supplies) expected to result from the action and a discussion of reasonable alternatives and their effects. This action is not subject to E.O. 13211, because it is not a significant regulatory action under E.O. 12866.

#### *M. Congressional Review Act (CRA)*

The CRA, 5 U.S.C. 801–808, established a mechanism to expedite congressional review of agency rules. The CRA generally provides that before a rule may take effect, the agency promulgating the rule must submit a rule report, which includes a copy of the rule, to each House of the Congress and to the Comptroller General of the United States. It is important to note that the CRA applies only to final rules; it does not apply to proposed rules. BOEM generally submits a report containing the rule and other required information to the U.S. Senate, the U.S. House of Representatives and the Comptroller General of the United States prior to publication of the rule in the **Federal Register**. A “major rule” cannot take effect until 60 days after it is published in the **Federal Register** or is submitted to Congress, whichever is later.

This rule is exempt from the CRA because it is a rule of Department organization, procedure or practice that does not substantially affect the rights or obligations of non-agency parties (5 U.S.C. 804(3)).

**RIN 1625–AA00**

#### **Safety Zone; Kentucky River, Frankfort, KY**

**AGENCY:** Coast Guard, DHS.

**ACTION:** Temporary final rule.

**SUMMARY:** The Coast Guard is establishing a temporary safety zone for all navigable waters of the Kentucky River extending from mile marker (MM) 65.5 to MM 66 near Frankfort, KY. This safety zone is needed to protect life, vessels, and the marine environment due to work being conducted on the Broadway Bridge near MM 65.5. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port Sector Ohio Valley (COTP) or a designated representative.

**DATES:** This rule is effective without actual notice from July 22, 2025 through August 2, 2025. For the purposes of enforcement, actual notice will be used from July 17, 2025, until July 22, 2025. If the COTP determines that the safety zone is no longer needed, they may end enforcement earlier through local notice.

**ADDRESSES:** To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG–2025–0635 in the search box and click “Search.” Next, in the Document Type column, select “Supporting & Related Material.”

#### **SUPPLEMENTARY INFORMATION:**

##### **I. Table of Abbreviations**

CFR Code of Federal Regulations  
DHS Department of Homeland Security  
FR Federal Register  
NPRM Notice of proposed rulemaking  
§ Section  
U.S.C. United States Code

##### **II. Background Information and Regulatory History**

The Coast Guard is issuing this temporary rule under the authority in 5 U.S.C. 553(b)(B). This statutory provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” The Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule it is impracticable and contrary to the public interest. It has been determined that the Broadway bridge is to be dismantled and removed from the Kentucky River. This work will begin to affect vessel navigation on the Kentucky River on July 17, 2025. The safety zone must be established by that date to protect people and vessels from the hazards of ongoing demolition work. Insufficient time exists to provide a reasonable comment period and then consider those comments before issuing the rule. Therefore, delaying the effective date for this emergency safety zone to complete the NPRM process would also be contrary to the public interest as it would delay the safety measures vital to safe navigation.

Also, under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule is impracticable because prompt action is needed to respond to the potential safety hazards associated with demolition efforts of the Broadway Bridge.

##### **III. Legal Authority and Need for Rule**

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The Captain of the Port Sector Ohio Valley (COTP) has determined that potential hazards associated with bridge demolition starting July 17, 2025, will be a safety concern for anyone within a 100-yard radius of working vessels and machinery. This rule is needed to protect personnel, vessels, and the marine environment in the navigable

waters within the safety zone while the bridge is being demolished.

#### IV. Discussion of the Rule

This Temporary final rule establishes a safety zone from 6 a.m. until 10 p.m. on July 17, 2025 and from 6 a.m. July 22, 2025 until 10 p.m. on August 2, 2025. The safety zone will cover all navigable waters from mile marker 65.5 to 66 of the Kentucky River. The duration of the zone is intended to protect personnel, vessels, and the marine environment in these navigable waters while the bridge is being demolished. No vessel or person will be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative.

#### V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders.

##### A. Regulatory Planning and Review

Executive Orders 12866 (Regulatory Planning and Review) and 13563 (Improving Regulation and Regulatory Review) direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility.

The Office of Management and Budget (OMB) has not designated this rule a “significant regulatory action,” under section 3(f) of Executive Order 12866. Accordingly, OMB has not reviewed it.

This regulatory action determination is based on the size, location, and duration of the safety zone. This safety zone will restrict vessel traffic from entering or transiting within a 0.5 mile area of navigable waterways on the Kentucky River between MMs 65.5 and 66 and will be enforced only during periods of bridge demolition work. Moreover, the COTP will end the safety zone as soon as the demolition and removal has been completed. The Coast Guard will issue Broadcast Notice to Mariners via VHF–FM marine channel 16 about enforcement of the zone. The rule allows vessels to seek permission to enter the zone.

##### B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider

the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on a substantial number of small entities.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule will affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

##### C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

##### D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism

principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

##### E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

##### F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone lasting 16 hours for one day and an additional safety zone lasting 24 hours for 12 days that will prohibit entry within a half mile stretch of the Kentucky River. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the **ADDRESSES** section of this preamble.

##### List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

**PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS**

- 1. The authority citation for part 165 continues to read as follows:

**Authority:** 46 U.S.C. 70034, 70051, 70124; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 00170.1, Revision No. 01.4.

- 2. Add § 165.T08–0635 to read as follows:

**§ 165.T08–0635 Safety Zone; Kentucky River, Frankfort, KY.**

(a) *Location.* The following area is a safety zone: All navigable waters of the Kentucky River from Mile Marker (MM) 65.5 to MM 66, extending the entire width of the river.

(b) *Definitions:* As used in this section, *designated representative* means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel and a Federal, State, and local officer designated by or assisting the Captain of the Port Ohio Valley (COTP) in the enforcement of the safety zone.

(c) *Regulations.* (1) Under the general safety zone regulations in subpart C of this part, you may not enter the safety zone described in paragraph (a) of this section unless authorized by the COTP or the COTP's designated representative.

(2) Vessels requiring entry into this safety zone must request permission from the COTP or a designated representative. To seek entry into the safety zone, contact the COTP or the COTP's representative by telephone at 502–779–5422 or on VHF–FM channel 16.

(3) Persons and vessels permitted to enter this safety zone must transit at their slowest safe speed and comply with all lawful directions issued by the COTP or the designated representative.

(d) *Enforcement period.* This section will be enforced from 6 a.m. to 10 p.m. on July 17, 2025 and from 6 a.m. July 22, 2025 through 10 p.m. August 2, 2025. The COTP may announce earlier termination of the safety zone if the bridge demolition is completed ahead of schedule.

Dated: July 15, 2025.

[Docket No. USCG–2025–0636]

**Safety Zones; Annual Events in the Captain of the Port Eastern Great Lakes Zone**

**AGENCY:** Coast Guard, DHS.

**ACTION:** Notification of enforcement of regulation.

**SUMMARY:** The Coast Guard will enforce multiple safety zones located in federal regulations for recurring marine events taking place in August and September of 2025. This action is necessary and intended for the safety of life and property on navigable waters during these events. During the enforcement periods, no person or vessel may enter the respective safety zone without the permission of the Captain of the Port Eastern Great Lakes or a designated representative.

**DATES:** The regulations listed in 33 CFR 165.939 will be enforced for the regulated areas listed in Table 1 to § 165.939, as discussed in the **SUPPLEMENTARY INFORMATION** section.

**FOR FURTHER INFORMATION CONTACT:** If you have questions about this notice of enforcement, call or email Petty Officer Andrew Nevenner at Marine Safety Unit Cleveland's Waterways Management Division; telephone 216–937–0111, email *D09-SMB-MSUCLEVELAND-WWM@uscg.mil*.

**SUPPLEMENTARY INFORMATION:** The Coast Guard will enforce multiple safety zones for annual events in the Captain of the Port Eastern Great Lakes Zone listed in 33 CFR 165.939, Table 1 to § 165.939 for events occurring in the months of August and September as follows:

- *Event No. (H)(8):* Tri CLE Rock Roll Run—from 4:30 a.m. through 10:30 a.m. on August 10, 2025.
- *Event No. (H)(2):* D-Day Conneaut—from 1:30 p.m. through 5:30 p.m. on August 14–16, 2025.
- *Event No. (H)(1):* Whiskey Island Paddlefest—from 7:00 a.m. through 1:30 p.m. on August 16, 2025.
- *Event No. (I)(2):* Cleveland National Air Show—from 3:00 p.m. through 6:30 p.m. on August 28, 2025; from 7:00 a.m. through 5:30 p.m. on August 29, 2025; and from 7:30 a.m. through 6:30 p.m. on August 30 through September 1, 2025.
- *Event No. (I)(3):* Head of the Cuyahoga (29th Annual Head of the Cuyahoga Regatta)—from 4:30 a.m. through 5:30 p.m. on September 27, 2025.

Pursuant to 33 CFR 165.23, entry into, transiting, or anchoring within these safety zones during an enforcement period is prohibited unless authorized by the Captain of the Port (COTP) Eastern Great Lakes or his designated representative. Those seeking permission to enter the safety zone may request permission from the COTP Eastern Great Lakes via channel 16, VHF–FM. Vessels and persons granted permission to enter the safety zone shall obey the directions of COTP Eastern Great Lakes or his designated representative. While within a safety zone, all vessels shall operate at the minimum speed necessary to maintain a safe course.

In addition to this notice of enforcement in the **Federal Register**, the Coast Guard will provide the maritime community with advance notification of this enforcement period via Broadcast Notice to Mariners or Local Notice to Mariners. If the Captain of the Port Eastern Great Lakes determines that the safety zone need not be enforced for the full duration stated in this notice, he may use a Broadcast Notice to Mariners to grant general permission to enter the respective safety zone. This notification is being issued by the Coast Guard Sector Eastern Great Lakes Prevention Department Head at the direction of the Captain of the Port.

Dated: July 10, 2025.
