

VII. Agency Contacts

If you have questions about this Notice, please contact the State Office as identified in the **ADDRESSES** section of this Notice. You are also encouraged to visit the application Web site for application tools, including an application guide and templates. The web address is: http://www.rurdev.usda.gov/BCP_VAPG.html.

VIII. Nondiscrimination Statement

USDA prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual's income is derived from any public assistance program. Not all prohibited bases apply to all programs. Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD).

To file a complaint of discrimination write to USDA, Director, Office of Adjudication and Compliance, 1400 Independence Avenue SW., Washington, DC 20250-9410 or call (800) 795-3272 (voice) or (202) 720-6382 (TDD). USDA is an equal opportunity provider, employer, and lender.

Dated: August 8, 2012.

Curtis A. Wiley,

Acting Administrator, Rural Business—Cooperative Service.

BILLING CODE 3410-XY-P

DEPARTMENT OF COMMERCE**Submission for OMB Review; Comment Request**

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: Evaluation of Interpretative Signs Located Along the California Coastline Part of the California Signage Plan Initiative.

OMB Control Number: None.

Form Number(s): NA.

Type of Request: Regular submission (request for a new information collection).

Number of Respondents: 400.

Average Hours per Response: 7 to 8 minutes.

Burden Hours: 50.

Needs and Uses: This request is for a new information collection.

The California Signage Plan is an organized and systematic way to develop and install graphic signs along the California coastline and inland that interpret the natural and cultural resources of a particular location and its connection to the sanctuaries located within California. To date, a strategic approach to evaluating interpretive signs produced by the Office of National Marine Sanctuaries has not been developed; therefore, we do not know if the messages we are trying to convey to our audiences are effective. We are proposing to conduct an online and onsite survey of approximately 400 visitors to the locations where signs are currently installed. The questions outlined in the survey examine the public's use of the signs, understanding of the signs' content, understanding and awareness of protected areas/zones and how those messages are portrayed in regulatory signs, demographics of the target audience, interest in alternate sources of interpretive content, perception of the National Marine Sanctuaries identity, and awareness of the national marine sanctuary system.

Affected Public: Individuals or households.

Frequency: One-time only.

Respondent's Obligation: Voluntary.

OMB Desk Officer:

OIRA_Submission@omb.eop.gov.

Copies of the above information collection proposal can be obtained by calling or writing Jennifer Jessup, Departmental Paperwork Clearance Officer, (202) 482-0336, Department of Commerce, Room 6616, 14th and Constitution Avenue NW., Washington, DC 20230 (or via the Internet at JJessup@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to OIRA_Submission@omb.eop.gov.

Dated: August 9, 2012.

Gwellnar Banks,

Management Analyst, Office of the Chief Information Officer.

BILLING CODE 3510-22-P

DEPARTMENT OF COMMERCE**Foreign-Trade Zones Board**

[B-63-2012]

Foreign-Trade Zone 133—Quad-Cities, Iowa/Illinois Application for Reorganization Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by the Quad-City Foreign-Trade Zone, Inc., grantee of FTZ 133, requesting authority to reorganize the zone under the alternative site framework (ASF) adopted by the Board (15 CFR 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new subzones or "usage-driven" FTZ sites for operators/users located within a grantee's "service area" in the context of the Board's standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on August 8, 2012.

FTZ 133 was approved by the Board on October 29, 1986 (Board Order 338, 51 FR 40238, 11-5-1986) and expanded on March 31, 2011 (Board Order 1749, 76 FR 19746, 4-8-2011).

The current zone includes the following sites: *Site 1* (223 acres)—River Cities Industrial Center, 200 East 90th Street, Davenport, Iowa; *Site 2* (33 acres)—Rock Island Arsenal, 1775 East Street, Rock Island, Illinois; *Site 3* (55 acres)—Modern Warehousing, 801 1st Street East, Milan, Illinois; *Site 4* (200 acres)—Eastern Iowa Industrial Center, Northeast of I-80 and Highway 130, Davenport, Iowa; and, *Site 5* (187 acres)—Iowa Research Commerce & Technology Park, Northwest of I-80 and Highway 61, Davenport, Iowa.

The grantee's proposed service area under the ASF would be Henderson, Henry, Mercer, Rock Island and Warren Counties, Illinois as well as Cedar, Clinton, Des Moines, Dubuque, Henry, Jackson, Johnson, Jones, Lee, Louisa, Muscatine, Scott and Washington Counties, Iowa, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The proposed service area is within and adjacent to the Davenport, Iowa-Moline and Rock Island, Illinois Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize its existing zone project to
