

In accordance with section 212.055(2), Florida statutes, pertaining to discretionary sales surtaxes for improvements to public facilities, the SOIRL Program Project Plan and the half cent sales surtax was adopted by the Brevard County Board of County Commissioners in Ordinance 2016–15, as amended by Ordinance 2016–24, and enacted by voter referendum on November 8, 2016, to restore water resources and estuarine wildlife habitats of the Indian River Lagoon. The sales surtax is collected and distributed pursuant to section 212.055, interlocal agreements with municipalities, and applicable State laws. All projects authorized by the SOIRL Program Project Plan are permitted, constructed, and implemented in accordance with State and Federal requirements, where applicable.

A “Record of Decision” for the Brevard County, Florida SOIRL Program to review claims regarding reimbursement to abandon septic and connect to sewer lines, upgrade existing septic systems to advanced septic systems, repair leaking sewer laterals, connect package plants to central sewer or upgrade the treatment level at private package plants has been prepared and is available upon request from the Acting Director, Financial Assistance Programs Division, Natural Resources Conservation, 1400 Independence Avenue SW, Room 4529 South Building, Washington, DC 20250.

The Secretary’s determination is in accordance with section 126 of the Internal Revenue Code of 1954, as amended (26 U.S.C. 126), and permits recipients of cost share payments to exclude those payments from gross income to the extent allowed by the Internal Revenue Service.

Louis Aspey,
Associate Chief, Natural Resources
Conservation Service.
