Centers for Medicare and Medicaid Services

[Document Identifier: CMS-10049]

Agency Information Collection Activities: Submission for OMB Review; Comment Request

AGENCY: Centers for Medicare and Medicaid Services, HHS.

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Centers for Medicare and Medicaid Services (CMS) (formerly known as the Health Care Financing Administration (HCFA), Department of Health and Human Services, is publishing the following summary of proposed collections for public comment. Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to

be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

Type of Information Collection

Request: Reinstatement, without change, of a previously approved collection for which approval has expired; *Title of Information Collection*: Assessing the CMS Fall Campaign; *Form No.*: CMS-10049 (OMB# 0938-0851); *Use*: CMS will collect information 3 times during its fall media campaigns to assess the campaign. CMS will conduct the survey via telephone, visits to our Web site, and by monitoring of our 1-800-MEDICARE number.; *Frequency*: Once; *Affected Public*: Individuals or households; *Number of Respondents*: 10,800; *Total Annual Responses*: 10,800; *Total Annual Hours*: 2,700.

To obtain copies of the supporting statement and any related forms for the proposed paperwork collections referenced above, access CMS Web site address at <http://www.hcfa.gov/regs/prdact95.htm>, or e-mail your request, including your address, phone number, OMB number, and CMS document identifier, to Paperwork@hcfa.gov, or call the Reports Clearance Office on (410) 786-1326. Written comments and recommendations for the proposed information collections must be mailed within 30 days of this notice directly to the OMB desk officer: OMB Human Resources and Housing Branch, Attention: Brenda Aguilar, New Executive Office Building, Room 10235, Washington, DC 20503.

Dated: August 6, 2002.

Agency Information Collection Activities: Submission for OMB Review; Comment Request

AGENCY: Centers for Medicare and Medicaid Services, HHS.

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Centers for Medicare and Medicaid Services (CMS) (formerly known as the

Health Care Financing Administration (HCFA), Department of Health and Human Services, is publishing the following summary of proposed collections for public comment. Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

Type of Information Collection

Request: New Collection; *Title of Information Collection*: Making Good Choices Survey; *Form No.*: CMS-10065 (OMB# 0938-NEW); *Use*: This is a request for clearance for a survey "Making Good Choices about Medicare Health Plan Survey". As part of the continuous quality improvement effort for the National Medicare Education Program (NMEP), this survey will be used to assess the impact of new educational materials developed for individuals who are turning 65 and entering the Medicare program. The measures and educational materials are based on the Transtheoretical Model of Change (TTM, the "stage model"), which has been applied and proven effective in facilitating behavior change in a wide range of health behaviors including smoking cessation, exercise acquisition and mammography screening. The materials are designed to increase new enrollees' readiness to compare their health plan options and make an informed choice. The use of an investigational design in the present study (one group will receive the materials, another will not) will allow CMS to determine whether the materials increase readiness to make an informed choice, self-efficacy, knowledge about the Medicare program, information seeking, and satisfaction with health plan choice. It will assist CMS with its national educational campaign to inform beneficiaries about their health plan choices. *Frequency*: Once with follow-up; *Affected Public*: Individuals or Households; *Number of Respondents*: 1350; *Total Annual Responses*: 1350; *Total Annual Hours*: 1012.5 hours.

BILLING CODE 4120-03-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Submission for OMB Review; Comment Request

Title: Head Start Impact Study.

OMB No.: New collection.

Description: The Administration on Children, Youth and Families (ACYF), Administration for Children and

Families (ACF) of the Department of Health and Human Services (DHHS), is requesting comments on plans to conduct the Head Start Impact Study. This study is being conducted under contract with Westat, Inc. (with the Urban Institute, American Institutes for Research, and Decision Information Resources as their subcontractors) (#282-00-0022) to collect information for determining, on a national basis, how Head Start affects the school readiness of children participating in the program, as compared to children not enrolled in Head Start, and to determine under which conditions Head Start works best and for which children. The Head Start Impact Study involves 10 waves of data collection.

The first two waves occurred during the field test in fall 2001 and spring 2002. The field test involved approximately 500 first time enrolled three- and four-year-old preschool children across eight grantee/delegate agencies representing different community contexts. The children participating were randomly assigned to either a Head Start group (that receives Head Start program services) or a comparison group (that does not receive Head Start services but may enroll in other available services selected by their parents or be cared for at home). Waves three through 10 will involve data collection for the full-scale study. The Head Start Impact Study is a

longitudinal study that will involve approximately 5,000-6,000 first time enrolled three- and four-year-old preschool children across an estimated 75 nationally representative grantee/ delegate agencies (in communities where there are more eligible children and families than can be served by the program). Data collection for the full-scale study will begin in fall 2002 and extend through spring 2006 with child assessments, conducted in the fall and spring of the Head Start years and in the spring of the kindergarten and first grade years, and parent interviews conducted in the fall and spring of each year. Interviews/surveys with program staff/care providers, and quality of care assessments will be conducted in the spring of each year. This schedule of data collection is necessitated by the mandate in Head Start's 1998 reauthorization (Coats Human Services Amendments of 1998, Pub. L. 05-285) that DHHS conduct research to determine, on a national level, the impact of Head Start on the children it serves.

Respondents: Individuals or households, Head Start Agencies, school districts, and other child care providers.

Annual Burden Estimates: Estimated Response Burden for Respondents to the Head Start Impact Study—fall 2002, spring 2003, fall 2003, spring 2004, fall 2004, spring 2005, fall 2005, and spring 2006.

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
Year 1 (fall 2002):				
Parent Interviews	5,111	1	1.00	5,111
Child Assessment	5,111	1	0.9166	4,685
Teacher Ratings	613	5	0.0833	255
Center Directors/Principals	307	1	1.00	307
Classroom Teachers	613	1	0.50	307
Year 1 (spring 2003):				
Parent Interviews	4,599	1	1.00	4,599
Father Questionnaire	4,599	1	0.50	2,300
Child Assessments	4,599	1	0.9166	4,216
Teacher Ratings	966	5	0.0833	403
Family Service Workers	368	1	0.50	184
Education Coordinators	368	1	0.50	184
Center Directors/Principals	368	1	1.00	368
Classroom Teachers	736	1	0.50	368
Other Care Providers	230	1	0.50	115
Year 2 (fall 2003):				
Parent Interviews	4,139	1	1.00	4,139
Child Assessments	2,287	1	0.9166	2,096
Year 2 (spring 2004):				
Parent Interviews	3,910	1	1.00	3,910
Child Assessments	3,910	1	0.0833	3,584
Teacher Ratings	803	5	0.0833	335
Family Service Workers	165	1	0.50	83
Education Coordinators	165	1	0.50	83
Center Directors/Principals	350	1	1.00	350
Classroom Teachers	700	1	0.50	350
Other Care Providers	103	1	0.50	52
Year 3 (fall 2004): Parent Interviews	3,519	1	1.00	3,519
