 TA-W-40,521J Massillon, OH (Cold Finished Plant), and
 TA-W-40,521K Canton, OH (Canton Special Metals Plant); Amended Certification Regarding Eligibility to Apply for Worker Adjustment Assistance

In accordance with section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on February 19, 2002, applicable to workers of Republic Technologies International located in Lorain, Ohio. The notice was published in the **Federal Register** on February 28, 2002 (67 FR 9325). The certification was amended on May 6, 2003 to reflect the change in ownership and include workers of Republic Engineered Products, Lorain, Ohio (TA-W-40,521D). The notice was published in the **Federal Register** on May 19, 2003 (68 FR 27110-27111).

At the request of the company, the Department reviewed the certification for workers of the subject firm. The workers produce hot rolled steel bars. The company reports that Republic Technologies International was purchased by Republic Engineered Products in August 2002 and that workers wages are reported under the Unemployment Insurance tax account for the new owner.

Accordingly, the Department is amending the certification to reflect the change in ownership.

The intent of the Department's certification is to include all workers of the firm adversely impact by increased imports of steel bars.

The amended notice applicable to TA-W-40,521 is hereby issued as follows:

"All workers of Republic Technologies International, currently known as Republic Engineered Products, headquartered in Akron, Ohio, including the following facilities producing hold rolled steel: Central Machine/Fabrication and Massillon Hot Rolled Plant, Massillon, Ohio; Chicago Plant, Chicago, Illinois; Lackawanna Plant, Blasdell, New York; Lorain Hot Rolled Bar Plant, Lorain, Ohio, and the following facilities producing cold finished steel: Beaver Falls Cold Finished plant, Beaver Falls, Pennsylvania; Gary Cold Finished Plants (E. Dunes Hwy and E. Seventh Ave.), Gary, Indiana; Harvey Cold Finished Plant, Harvey, Illinois and Massillon Cold Finished Plant, Massillon, Ohio, who became totally or partially separated from employment on or after November 19, 2000, through February 19, 2004, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974."

Signed at Washington, DC this 23rd day of October, 2003.

Richard Church,

Certifying Officer, Division of Trade Adjustment Assistance.

Amended Certification Regarding
Eligibility To Apply for Worker
Adjustment Assistance**

In accordance with section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on July 11, 2003, applicable to workers of Robert Bosch Fuel Systems Corporation, formerly Diesel Technology Company, a division of Robert Bosch North America, Kentwood, Michigan. The notice was published in the **Federal Register** on July 22, 2003 (68 FR 43372).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm.

Information provided by the company shows that leased workers of K-Force Professional Staffing were employed at Robert Bosch Fuel Systems Corporation

to produce fuel injector systems at the Kentwood, Michigan location of the subject firm.

Based on these findings, the Department is amending this certification to include leased workers of K-Force Professional Staffing working at Robert Bosch Fuel Systems Corporation, Kentwood, Michigan.

The intent of the Department's certification is to include all workers employed at Robert Bosch Fuel Systems Corporation, formerly Diesel Technology Company, a division of Robert Bosch North America who was adversely affected by the shift in production to Brazil, Germany and Charleston, South Carolina.

The amended notice applicable to TA-W-52,014 is hereby issued as follows:

All workers of Robert Bosch Fuel Systems Corporation, formerly Diesel Technology Company, a division of Robert Bosch North America, Kentwood, Michigan, including leased workers of K-Force Professional Staffing, producing fuel injector systems at Robert Bosch Fuel Systems Corporation, formerly Diesel Technology Company, a division of Robert Bosch North America, Kentwood, Michigan, who became totally or partially separated from employment on or after June 10, 2002, through July 11, 2005, are eligible to apply for adjustment assistance under section 223 of the Trade Act of 1974.

Signed at Washington, DC this 3rd day of October, 2003.
