

Wenatchee National Forests to revise their respective Land and Resource Management Plans (Forest Plans) under the 1982 planning regulations (36 CFR part 219). Initial steps of the revision process will focus on information needs, resource inventory review, organizing data, and establishing the public involvement process.

ADDRESSES: Send written comments concerning this notice to Margaret Hartzell, Plan Revision Group Leader, Okanogan Valley Office, 1240 South Second Avenue, Okanogan, WA 98840. Send electronic correspondence on the Forest Plan Revision to r6_ewzplanrevision@fs.fed.us.

FOR FURTHER INFORMATION CONTACT: Margaret Hartzell, Plan Revision Group Leader (509) 826-3275.

SUPPLEMENTARY INFORMATION: The Forest Plans for the Colville, Okanogan and Wenatchee National Forests will remain in effect and continue to be implemented until the Forest Plans are revised. This notice addresses initiation of plan revision. Once the scope of the revision is better understood the Forests will issue a Notice to prepare an Environmental Impact Statement, which will initiate the National Environmental Policy Act stage of plan revision.

The Forest Service is preparing new planning regulations which may be issued while the Colville, Okanogan and Wenatchee Forest Plans are still in the revision process. These new regulations will reflect the latest national direction on land management planning and the Forests may consider completing the Plan Revision under the new, finalized planning regulations. It is anticipated the new planning regulations will allow such a change. An additional Notice will be issued if the Forests decide to switch to the new, final planning regulations.

Further information is available on the Colville, Okanogan and Wenatchee Forest Plans Revision Web site <http://www.fs.fed.us/r6/colville/cow>.

Dated: February 13, 2004.

SUPPLEMENTARY INFORMATION: The passenger transportation portion of the RBEG program is authorized by section 310B(c)(2) of the Consolidated Farm and Rural Development Act (CONACT) (7 U.S.C. 1932(c)(2)). The RBEG program is administered on behalf of RBS at the State level by the Rural Development State Offices. The primary objective of the program is to improve the economic conditions of rural areas. Assistance provided to rural areas under this program may include on-site technical assistance to local and regional governments, public transit agencies, and related nonprofit and for-profit organizations in rural areas; the development of training materials; and the provision of necessary training assistance to local officials and agencies in rural areas.

Awards under the RBEG passenger transportation program are made on a competitive basis using specific selection criteria contained in 7 CFR part 1942, subpart G, and in accordance with section 310B(c)(2) of the CONACT. That subpart also contains the information required to be in the preapplication package. For the \$250,000 grant, at least 75 percent of the benefits of the project must be received by members of Federally Recognized Tribes. The project that scores the greatest number of points based on the selection criteria and Administrator's points will be selected for each grant. Preapplications will be tentatively scored by the State Offices and submitted to the National Office for review, final scoring, and selection.

To be considered "national," a qualified organization is required to provide evidence that it operates in

multi-State areas. There is not a requirement to use the grant funds in a multi-State area. Under this notice, grants will be made to qualified, private, non-profit organizations for the provision of technical assistance and training to rural communities for the purpose of improving passenger transportation services or facilities. Public bodies are not eligible for passenger transportation RBEG grants.

The information collection requirements contained within this Notice have received approval by the Office of Management and Budget (OMB) under OMB Control Number 0570-0022 (7 CFR part 1942, subpart G).

Fiscal Year 2004 Preapplications Submission

Each preapplication received in a Rural Development State Office will be reviewed to determine if this preapplication is consistent with the eligible purposes contained in section 310B(c)(2) of the CONACT. Each selection priority criterion outlined in 7 CFR part 1942, subpart G, section 1942.305(b)(3), must be addressed in the preapplication. Failure to address any of the criteria will result in a zero-point score for that criterion and impact the overall evaluation of the preapplication. Copies of 7 CFR part 1942, subpart G, will be provided to any interested applicant making a request to a Rural Development State Office listed in this notice. All projects to receive technical assistance through these passenger transportation grant funds are to be identified when the preapplications are submitted to the Rural Development State Office. Multiple project preapplications must identify each individual project, indicate the amount of funding requested for each individual project, and address the criteria as stated above for each individual project. For multiple-project preapplications, the average of the individual project scores will be the score for that preapplication.

All eligible preapplications, along with tentative scoring sheets and the Rural Development State Director's recommendation, will be referred to the National Office no later than June 15, 2004, for final scoring and selection for an award.

The National Office will score preapplications based on the grant selection criteria and weights contained in 7 CFR part 1942, subpart G and will select a grantee subject to the grantee's satisfactory submission of a formal application and related materials in the manner and timeframe established by RBS in accordance with 7 CFR part 1942, subpart G. It is anticipated that

the grantees will be selected by July 30, 2004. All applicants will be notified by RBS of the Agency's decision on the awards.
