Rule 15c2-5.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) is soliciting comments on the existing collection of information provided for in Rule 15c2-5 (17 CFR 240.15c2-5) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) (“Exchange Act”). The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval.

Rule 15c2-5 prohibits a broker-dealer from arranging or extending certain loans to persons in connection with the offer or sale of securities unless, before any element of the transaction is entered into, the broker-dealer: (1) Delivers to the person a written statement containing the exact nature and extent of the person’s obligations under the loan arrangement; the risks and disadvantages of the loan arrangement; and all commissions, discounts, and other remuneration received and to be received in connection with the transaction by the broker-dealer or certain related persons (unless the person receives certain materials from the lender or broker-dealer which contain the required information); and

(2) obtains from the person information on the person’s financial situation and needs, reasonably determines that the transaction is suitable for the person, and retains on file and makes available to the person on request a written statement setting forth the broker-dealer’s basis for determining that the transaction was suitable. The collection of information required by Rule 15c2-5 is necessary to execute the Commission’s mandate under the Exchange Act to prevent fraudulent, manipulative, and deceptive acts and practices by broker-dealers.

The Commission estimates that there are approximately 50 respondents that require an aggregate total of 600 hours to comply with Rule 15c2-5.<sup>1</sup> Each of these approximately 50 registered broker-dealers makes an estimated six annual responses, for an aggregate total of 300 responses per year.<sup>2</sup> Each response takes approximately two hours to complete. Thus, the total compliance burden per year is 600 burden hours.<sup>3</sup> The approximate internal compliance cost per hour is \$63.00 for clerical labor,<sup>4</sup> resulting in a total internal compliance cost of \$37,800.<sup>5</sup> These reflect internal labor costs; there are no external labor, capital, or start-up costs.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency’s estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information

<sup>1</sup> 50 respondents × 6 responses per year × 2 hours per response = 600 hours per year.

<sup>2</sup> 50 respondents × 6 responses per year = 300 responses per year.

<sup>3</sup> 300 responses per year × 2 hours per response = 600 hours per year.

<sup>4</sup> Cost per hour for a clerk is from SIFMA’s Office Salaries in the Securities Industry 2013, modified by Commission staff to account for an 1800-hour work-year, multiplied by 2.93 to account for bonuses, firm size, employee benefits and overhead, and adjusted by a factor of 1.0965 to account for inflation.

<sup>5</sup> 600 hours per year × \$63.00 per hour = \$37,800 per year.

## SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-455, OMB Control No. 3235-0514]

### Proposed Collection; Comment Request

Rule 8c-1.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) is soliciting comments on the existing collection of information provided for in Rule 8c-1 (17 CFR 240.8c-1), under the Securities Exchange Act of 1934 (“Exchange Act”) (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval.

Rule 8c-1 generally prohibits a broker-dealer from using its customers’ securities as collateral to finance its own trading, speculating, or underwriting transactions. More specifically, Rule 8c-1 states three main principles: (1) A broker-dealer is prohibited from commingling the securities of different customers as collateral for a loan without the consent of each customer; (2) a broker-dealer cannot commingle customers’ securities with its own securities under the same pledge; and (3) a broker-dealer can only pledge its customers’ securities to the extent that customers are in debt to the broker-dealer. Additionally, Rule 8c-1 requires broker-dealers to make certain written notifications to pledges in connection

<sup>30</sup> 17 CFR 200.30-3(a)(12).

with such use of customer securities as collateral.<sup>1</sup>

The information required by Rule 8c-1 is necessary for the execution of the Commission's mandate under the Exchange Act to prevent broker-dealers from hypothecating or arranging for the hypothecation of any securities carried for the account of any customer under certain circumstances. In addition, the information required by Rule 8c-1 provides important investor protections.

There are approximately 46 respondents as of year-end 2019 (*i.e.*, broker-dealers that conducted business with the public, filed Part II of the FOCUS Report, did not claim an exemption from the Reserve Formula computation, and reported that they had a bank loan during at least one quarter of the current year). Each respondent makes an estimated 45 annual responses, for an aggregate total of 2,070 responses per year.<sup>2</sup> Each response takes approximately 0.5 hours to complete. Therefore, the total third-party disclosure burden per year is 1,035 hours.<sup>3</sup>

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Please direct your written comments to: David Bottom, Director/Chief Information Officer, Securities and Exchange Commission, c/o Cynthia Roscoe, 100 F Street NE, Washington, DC 20549, or send an email to: [PRA\\_Mailbox@sec.gov](mailto:PRA_Mailbox@sec.gov).

<sup>1</sup> See Exchange Act Release No. 2690 (November 15, 1940); Exchange Act Release No. 9428 (December 29, 1971).

<sup>2</sup> 46 respondents × 45 annual responses = 2,070 aggregate total of annual responses.

<sup>3</sup> 2,070 responses × 0.5 hours = 1,035 hours.

Dated: March 18, 2020.

##### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The Exchange proposes to amend IEX Rule 11.280(b)<sup>8</sup> concerning the resumption of trading following a Level 3 market-wide circuit breaker halt. The Exchange is proposing this rule change in conjunction with other national securities exchanges and the Financial Industry Regulatory Authority ("FINRA").

IEX Rule 11.280 provides a methodology for determining when to halt trading in all stocks due to extraordinary market volatility (*i.e.*, market-wide circuit breakers).<sup>9</sup> The market-wide circuit breaker mechanism ("MWCBS") under IEX Rule 11.280 was approved by the Commission to operate on a pilot basis, the term of which was to coincide with the pilot period for the Plan to Address Extraordinary Market Volatility Pursuant to Rule 608 of Regulation NMS (the "LULD Plan"), including any extensions to the pilot period for the LULD Plan.<sup>10</sup> The Commission recently approved an amendment to the LULD Plan for it to operate on a permanent, rather than pilot, basis.<sup>11</sup> In light of the proposal to make the LULD Plan permanent, the Exchange amended IEX Rule 11.280 to untie the pilot's effectiveness from that of the LULD Plan and to extend the pilot's effectiveness to the close of
