Paper File Folders From Cambodia: Preliminary Negative Determination of Sales at Less Than Fair Value and Postponement of Final Determination

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that paper file folders from Cambodia are not being, or are not likely to be, sold in the United States at less than fair value (LTFV). The period of investigation (POI) is October 1, 2023, through September 30, 2024. Interested parties are invited to comment on this preliminary determination.

DATES: Applicable May 29, 2025.

SUPPLEMENTARY INFORMATION:

Background

This preliminary determination is made in accordance with section 733(b) of the Tariff Act of 1930, as amended (the Act). Commerce published the notice of initiation of this investigation on November 19, 2024.¹ On February 24, 2025, Commerce postponed the preliminary determination of this investigation until May 21, 2025.²

For a complete description of the events that followed the initiation of this investigation, *see* the Preliminary Decision Memorandum.³ A list of topics included in the Preliminary Decision Memorandum is included as Appendix II to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Investigation

The products covered by this investigation are paper file folders from

Cambodia. For a complete description of the scope of this investigation, *see* Appendix I.

Scope Comments

In accordance with the *Preamble* to Commerce's regulations,⁴ we set aside a period of time for parties to raise issues regarding product coverage (*i.e.*, scope).⁵ No interested party commented on the scope of the investigation as it appeared in the *Initiation Notice*. Commerce is not modifying the scope language as it appeared in the *Initiation Notice*.

Methodology

Commerce is conducting this investigation in accordance with section 731 of the Act. Commerce has calculated export prices in accordance with section 772(a) of the Act. Normal value is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying the preliminary determination, *see* the Preliminary Decision Memorandum.

Preliminary Determination

Commerce preliminarily determines that the following estimated weighted-average dumping margin exists:

Exporter/producer	Weighted-average dumping margin (percent)	Cash deposit rate (adjusted for subsidy offset(s)) (percent)
Three-Color Stone Stationery (Cambodia) Co., Ltd./Three-Color Stone Manufacture Limited ⁶	0.00	Not Applicable.

For this preliminary determination, Commerce calculated an estimated weighted-average dumping margin of zero for the only individually examined respondent, TCS. Consistent with section 733(b)(3) of the Act, Commerce disregards zero rates and preliminarily determines that the single entity with a zero rate has not made sales of subject merchandise at LTFV.

Consistent with section 733(d) of the Act, Commerce has not calculated an estimated weighted-average dumping margin for all other producers and exporters because it has not made an

affirmative preliminary determination of sales at LTFV.

Critical Circumstances Allegation

On May 7, 2025, the petitioner alleged that critical circumstances exist with respect to imports of paper file folders from Cambodia.⁷ Commerce issued a questionnaire to TCS, requesting information regarding exports of paper file folders from Cambodia to the United States.⁸ Section 733(e)(1) of the Act provides that Commerce, upon receipt of a timely-filed allegation of critical circumstances, will determine whether there is a reasonable basis to believe or

suspect that: (A)(i) there is a history of dumping and material injury by reason of dumped imports in the United States or elsewhere of the subject merchandise; or (ii) the person by whom, or for whose account, the merchandise was imported knew or should have known that the exporter was selling the subject merchandise at LTFV and that there was likely to be material injury by reason of such sales; and (B) there have been massive imports of the subject merchandise over a relatively short period. However, as stated above, because Commerce preliminarily calculated a zero rate for the sole

⁶ Three-Color Stone Stationery (Cambodia) Co., Ltd. submitted a response on behalf of itself and its

affiliated reseller, Three-Color Stone Manufacture Limited. Commerce preliminarily determines that it is appropriate to treat these companies as a single entity. See Preliminary Decision Memorandum. We refer to the companies collectively as TCS.

mandatory respondent, TCS, the entity has not made sales of subject merchandise at LTFV. Therefore, pursuant to 19 CFR 351.204(e), the respondent will not be subject to provisional measures under sections 703(d) or section 733(d) of the Act. Consequently, Commerce has not conducted a critical circumstances analysis for this preliminary determination.

Suspension of Liquidation

Because Commerce has made a negative preliminary determination of sales at LTFV with regard to subject merchandise, Commerce will not direct U.S. Customs and Border Protection to suspend liquidation or to require a cash deposit of estimated antidumping duties for entries of paper file folders from Cambodia.

Disclosure

Commerce intends to disclose its calculations and analysis performed to interested parties in this preliminary determination within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in the **Federal Register**, in accordance with 19 CFR 351.224(b).

Consistent with 19 CFR 351.224(e), Commerce will analyze and, if appropriate, correct any timely allegations of significant ministerial errors by amending the preliminary determination. However, consistent with 19 CFR 351.224(d), Commerce will not consider incomplete allegations that do not address the significance standard under 19 CFR 351.224(g) following the preliminary determination. Instead, Commerce will address such allegations in the final determination together with issues raised in the case briefs or other written comments.

Verification

As provided in section 782(i)(1) of the Act, Commerce intends to verify the information relied upon in making its final determination.

Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance no later than seven days after the date on which the last verification report is issued in this investigation.⁹ Rebuttal briefs, limited to issues raised in the case briefs, may be

filed no later than five days after the date for filing case briefs. Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.¹⁰

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their briefs that should be limited to five pages total, including footnotes. In this investigation, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.¹¹ Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final determination in this investigation. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).¹²

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the date of publication of this notice. Requests should contain: (1) the party's name, address, and telephone number, (2) the number of participants, and whether any participant is a foreign national, and (3) a list of the issues to be discussed. If a request for a hearing is made, Commerce intends to hold the hearing at a date and time to be determined. Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

Postponement of Final Determination

Section 735(a)(2) of the Act provides that a final determination may be postponed until not later than 135 days after the date of the publication of the preliminary determination if, in the event of an affirmative preliminary determination, a request for such

postponement is made by exporters who account for a significant proportion of exports of the subject merchandise, or in the event of a negative preliminary determination, a request for such postponement is made by the petitioner. Section 351.210(e)(2) of Commerce's regulations requires that a request by exporters for postponement of the final determination be accompanied by a request for extension of provisional measures from a four-month period to a period not more than six months in duration.

On May 16, 2025, pursuant to 19 CFR 351.210(e), the petitioner and TCS requested that Commerce postpone the final determination and that provisional measures be extended to a period not to exceed six months.¹³ In accordance with section 735(a)(2)(A) of the Act and 19 CFR 351.210(b)(2)(ii), because: (1) the preliminary determination is negative; (2) the petitioner has requested the postponement of the final determination; and (3) no compelling reasons for denial exist, Commerce is postponing the final determination. Because we have preliminarily determined that sales of subject merchandise are not being sold at LTFV, provisional measures are not being applied to imports of subject merchandise pursuant to section 733(d) of the Act. Accordingly, Commerce will make its final determination no later than 135 days after the date of publication of this preliminary determination.

U.S. International Trade Commission Notification

In accordance with section 733(f) of the Act, Commerce will notify the U.S. International Trade Commission (ITC) of its preliminary determination. If the final determination is affirmative, the ITC will determine 75 days after the final determination whether imports of paper file folders from Cambodia are materially injuring, or threaten material injury to, the U.S. industry.

Notification to Interested Parties

This determination is issued and published in accordance with sections 733(f) and 777(i)(1) of the Act and 19 CFR 351.205(c).
