

Entry Amendment Procedures

In the case of products that are eligible for treatment under Subchapter VIII, Chapter 99, HTSUS, as modified by Proclamation 7554, but for which no claim for that treatment was made because the products were entered, or withdrawn from warehouse for consumption, on or after January 1, 2002, and before the publication of this notice, and provided that liquidation has not become final under 19 U.S.C. 1514 with respect to those products, importers may avail themselves of one of the following procedures in order to make a retroactive claim for that treatment:

1. The importer may amend the entry by filing a Supplementary Information Letter (SIL) with Customs. For the policy on SILs, ABI users should see Administrative Message 97-0727 dated August 3, 1997, and non-ABI filers should contact the local Customs port office;

2. The importer may make a Post Entry Amendment (PEA) in accordance with the requirements and procedures set forth in the notice published in the **Federal Register** (65 FR 70872) on November 28, 2000, regarding the PEA test program. The operation of the PEA test program was extended to December 31, 2002, by a notice published in the **Federal Register** (67 FR 768) on January 7, 2002; or

3. The importer may file a protest in accordance with 19 U.S.C. 1514 and 1515 and Part 174 of the Customs Regulations (19 CFR part 174).

Submission of a retroactive claim under one of the procedures mentioned above does not automatically guarantee the refund of duties deposited with Customs, and Customs notes in this regard that the applicable calendar year 2002 quota provided for under Subchapter VIII, Chapter 99, HTSUS, must be available when the retroactive claim is made. In addition, no refund will apply in the case of additional duties paid as safeguard measures under Chapter 99 of the HTSUS.
