RIN 1625-AA09

Drawbridge Operation Regulation; Manasquan River, NJ

AGENCY: Coast Guard, DHS.

ACTION: Final rule.

SUMMARY: The Coast Guard is removing the existing drawbridge operation regulation for the Route 70 Bridge, mile 3.4, across Manasquan River at Riviera Beach, NJ. The existing bridge has been modified by permit from a movable bridge to a fixed bridge. Since the bridge is no longer a movable bridge, the regulation controlling the opening and closing of the bridge is no longer necessary.

DATES: This rule is effective July 15, 2009.

ADDRESSES: Documents indicated in this preamble as being available in the docket, are part of docket USCG-2009-

0233 and are available online by going to <http://www.regulations.gov>, selecting the Advanced Docket Search option on the right side of the screen, inserting USCG-2009-0233 in the Docket ID box, pressing Enter, and then clicking on the item in the Docket ID column. This material is also available for inspection or copying at the Docket Management Facility (M-30), U.S. Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue, SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

SUPPLEMENTARY INFORMATION: The Coast Guard is issuing this final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because the bridge that the regulation governed has been modified from a movable bridge to a fixed bridge and does not open for the passage of vessels.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective in less than 30 days after publication in the **Federal Register** because this rule removes the regulation used for the operation of a movable bridge that has been modified to become a fixed bridge. The modification has already taken place and the removal of the regulation will not affect mariners.

Background and Purpose

On September 23, 2005, a Coast Guard Bridge Permit (2-05-5) was issued to the New Jersey Department of Transportation (NJDOT) to replace the existing single-leaf bascule bridge, which carries Route 70 over Manasquan River at Riviera Beach, NJ, with a new fixed bridge. NJDOT completed construction for a new fixed bridge in December 2008.
