

the following additional information and instruction regarding these conferences, including the hotel conference sites.

The attached agenda details the dates and times of the technical conferences and identifies the companies presenting their draft proposals, and the customer and industry groups to be represented in the stakeholder panels. To the extent a transmission provider is not listed or otherwise represented by a planning group as detailed on the attached agendas, it should contact the staff members listed below as soon as possible. In addition, each transmission provider should e-mail Commission staff with an electronic link to its draft proposal at

890Planning.attachK@ferc.gov as soon as such proposal is posted on the transmission provider's Web site. The Commission will provide access to links to all draft proposals in the OATT Reform section of the Commission's Web site at <http://www.ferc.gov/industries/electric/indus-act/oatt-reform/draft-attachment-k.asp>.

As provided for in the August 28 notice, those wishing to participate as a panelist and provide feedback on the draft proposals should submit a request form located at <https://www.ferc.gov/whats-new/registration/transmission-planning-speaker-form.asp> by the close of business on September 21, 2007 (Atlanta, GA conference), September 28, 2007 (Boston, MA conference), and October 5, 2007 (Denver, CO conference). In the event a transmission provider or interested party is uncertain as to which technical conference is relevant, such persons should contact staff in advance to discuss the matter.

Federal Energy Regulatory Commission

[Docket No. CP07-445-000]

Southern Natural Gas Company; Transcontinental Gas Pipe Line Corporation; Notice of Joint Application for Abandonment

September 11, 2007.

Take notice that on September 5, 2007, Southern Natural Gas Company (Southern) and Transcontinental Gas Pipe Line Corporation (Transco) filed a joint application in abbreviated format pursuant to section 7(b) of the Natural Gas Act, as amended, and the Rules and Regulations of the Commission, for an order permitting and approving abandonment of the transportation services provided pursuant to Transco's Rate Schedule X-169 and Southern's Rate Schedule X-146.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the date as indicated below. Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). For assistance with any FERC Online service, please e-mail FERCOnlineSupport@ferc.gov, or call (866) 208-3676 (toll free). For TTY, call (202) 502-8659.
