

appropriate circuit by January 9, 2012. Filing a petition for reconsideration by the Administrator of this final rule does not affect the finality of this action for the purposes of judicial review nor does it extend the time within which a petition for judicial review may be filed, and shall not postpone the effectiveness of such rule or action. This action may not be challenged later in proceedings to enforce its requirements (see section 307(b)(2)).

List of Subjects in 40 CFR Part 52

Environmental protection, Air pollution control, Incorporation by reference, Intergovernmental relations, Ozone, Reporting and recordkeeping requirements, Volatile organic compounds.

Dated: October 3, 2011.

Keith Takata,

Acting Regional Administrator, Region IX.

Part 52, Chapter I, Title 40 of the Code of Federal Regulations is amended as follows:

PART 52—[AMENDED]

■ 1. The authority citation for Part 52 continues to read as follows:

Authority: 42 U.S.C. 7401 *et seq.*

Subpart F—California

■ 2. Section 52.220 is amended by adding paragraphs (c)(379)(i)(C)(6) to read as follows:

§ 52.220 Identification of plan.

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 372

[EPA–HQ–TRI–2009–0844; FRL–9488–5]

RIN 2025–AA27

Hydrogen Sulfide; Community Right-to-Know Toxic Chemical Release Reporting

AGENCY: Environmental Protection Agency (EPA).

ACTION: Lifting of Administrative Stay for Hydrogen Sulfide; Correction.

SUMMARY: The Environmental Protection Agency published in the **Federal Register** of October 17, 2011, a document lifting the Administrative Stay of the reporting requirements for hydrogen sulfide. The Office of the Federal Register mistakenly lifted the stay of the reporting requirements for methyl mercaptan, and the document also inadvertently left out language in the preamble and contained incorrect language in the amendatory instruction section, which section is required by 1 CFR 21.1. This document affirms that the stay on the reporting requirements for methyl mercaptan was not lifted and sets out the language in the preamble and the amendatory instruction section as it should have printed.

DATES: Effective on October 17, 2011.

FOR FURTHER INFORMATION CONTACT:

Daniel R. Bushman, Environmental Analysis Division, Office of Information Analysis and Access (2842T), Environmental Protection Agency, 1200 Pennsylvania Ave., NW., Washington, DC 20460; telephone number: (202) 566–0743; fax number: (202) 566–0677; email: bushman.daniel@epa.gov.

SUPPLEMENTARY INFORMATION: The Environmental Protection Agency published a document on August 22, 1994 (59 FR 43048) imposing stays on the reporting requirements for hydrogen sulfide and methyl mercaptan found at 40 CFR 372.65. The document published in the **Federal Register** of October 17, 2011 (76 FR 64022) should have lifted the Administrative Stay of the reporting requirements for only hydrogen sulfide. The Office of the Federal Register mistakenly lifted the stay of the reporting requirements for methyl mercaptan as well. The document also inadvertently left out language in the preamble and contained incorrect language in the amendatory instruction section, which section is required by 1 CFR 21.1, regarding the lifted stay of hydrogen sulfide reporting requirements.

In FR Doc. 2011–23534 published on October 17, 2011 (76 FR 64022), make the following corrections.

1. On page 64025, in the second column, add a new paragraph before the beginning of section IV as follows:

“In order to lift the stay, as a procedural matter, EPA must include an instruction to the Office of the Federal Register, as required by 1 CFR 21.1. This instruction does not alter or change the content or text of any regulatory provision.”

2. On page 64037, in the third column following the signature, correctly revise the amendatory language to read as follows:

“Therefore, 40 CFR part 372 is affected as follows:

PART 372—[RESTATED]

■ 1. The authority citation for part 372 continues to read as follows:

Authority: 42 U.S.C. 11023 and 11048.

§ 372.65 [Affected]

■ 2. Section 372.65 is affected by lifting the reporting stay on the hydrogen sulfide entry and all related dates under paragraph (a), and by lifting the stay on the entry for CAS No. 7783–06–4 and all related dates under paragraph (b).”

Dated: November 2, 2011.

Malcolm D. Jackson,

Assistant Administrator and Chief Information Officer.

RIN 0648–BA94

Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Reef Fish Fishery of the Gulf of Mexico; Gag Grouper Closure Measures

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Temporary rule; interim measures extended.

SUMMARY: NMFS issues this temporary rule to extend the effective date of interim measures to reduce overfishing of gag in the Gulf of Mexico (Gulf) implemented by a temporary rule published by NMFS on June 2, 2011. This temporary rule extends the interim measures implemented to reduce overfishing of gag in the Gulf by reducing the commercial quota for gag and, thus, the combined commercial quota for shallow-water grouper species (SWG), establishing a 2-month recreational season for gag, and suspending red grouper multi-use allocation in the Gulf grouper and tilefish individual fishing quota (IFQ) program, as recommended by the Gulf of Mexico Fishery Management Council (Council). The intended effect of this rule is to reduce overfishing of the gag resource in the Gulf.
