SUPPLEMENTARY INFORMATION: On February 7, 2014, the 2014 Farm Bill (Pub. L. 113-79) was signed into law. The Secretary of Agriculture and the respective USDA agencies, including Rural Development, are working to implement the provisions of the 2014 Farm Bill as expeditiously as possible to meet the needs of stakeholders. To plan and implement the newly authorized Strategic Economic and Community Development priority funding, it is important to engage with our stakeholders to learn and understand their comments, concerns, or requests.

Rural Development will hold the Strategic Economic and Community Development priority funding listening session on Thursday, June 5, 2014, to receive oral comments from stakeholders and the public. At the listening session, the focus is for Rural Development to hear from the public; this is not a discussion with Rural Development officials or a question and answer session. As noted above, the purpose is to receive public input that Rural Development can

consider in order to implement the Strategic Economic and Community Development provision of the 2014 Farm Bill. Rural Development is interested in receiving input on all aspects on the implementation of this provision, including, but not limited to, defining “multi-jurisdictional” and “strategic economic and community development plan” and application requirements for applicants seeking funding under this provision.
