We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the **Federal Register** on May 27, 2021, during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Agency: Economic Development Administration (EDA), Commerce.

Type of Request: Revision and extension of a currently approved information collection.

Number of Respondents: For construction projects, 977 estimated respondents, and for non-construction projects, 1,663 estimated respondents, for a total of 2,640 estimated respondents.

Average Hours per Response: For construction projects, 43.0 estimated hours per response, and for non-construction projects, 17.1 estimated hours per response.

Needs and Uses: EDA must collect specific information from applicants for EDA investment assistance to evaluate whether proposed projects satisfy eligibility and programmatic requirements contained in EDA's authorizing legislation, the Public Works and Economic Development Act of 1965, as amended (42 U.S.C. 3121 *et seq.*); EDA regulations at 13 CFR Chapter III; and applicable Notices of Funding Opportunity.

EDA proposes to revise and extend the following forms under this information collection: Forms ED-900 (General Application for EDA Programs), ED-900B (Beneficiary Information Form), ED-900C (EDA Application Supplement for Construction Programs), ED-900D (Requirements for Design and Engineering Assistance), ED-900E (Calculation of Estimated Relocation and Land Acquisition Expenses), and ED-900F (Additional EDA Assurances for Revolving Loan Fund Investments).

EDA does not propose to extend two existing forms under this information collection: Forms ED-900A (Additional EDA Assurances for Construction Or Non-Construction Investments and ED-900P (Proposal for EDA Assistance). Form ED-900A is no longer necessary because the assurances collected in Form ED-900A are redundant with other materials, including other forms under this information collection and certifications collected by *SAM.gov*. Form ED-900P is no longer necessary because EDA has removed the requirement for a financial assistance applicant to submit a proposal prior to submitting a full application. By eliminating Forms ED-900A and ED-900P, EDA will reduce the estimated time per response to this information collection.

Affected Public: Entities eligible for EDA financial assistance, including Federal, State, and local governments; Indian tribes; institutions of higher education; not-for-profit entities; and business or other for-profit organizations.

Frequency: During application for EDA investment assistance.

Seamless Refined Copper Pipe and Tube From the Socialist Republic of Vietnam: Antidumping Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: Based on the affirmative final determinations by the Department of Commerce (Commerce) and the U.S. International Trade Commission (ITC), Commerce is issuing an antidumping duty (AD) order on seamless refined copper pipe and tube (copper pipe and tube) from the Socialist Republic of Vietnam (Vietnam).

DATES: Applicable August 13, 2021.

FOR FURTHER INFORMATION CONTACT: Ariela Garvett, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-3609.

SUPPLEMENTARY INFORMATION:

Background

In accordance with sections 735(d) and 777(i)(1) of the Tariff Act of 1930, as amended (the Act), on June 24, 2021, Commerce published its affirmative final determination of sales at less than

fair value (LTFV) of copper pipe and tube from Vietnam.¹ As part of this determination, Commerce made negative critical circumstances findings for the sole mandatory respondent, Hailiang (Vietnam) Copper Manufacturing Company (Hailiang Vietnam) and its affiliated trading company Hongkong Hailiang Metal Trading Limited (also known as Hong Kong Hailiang Metal Trading Limited) (Hongkong Hailiang) (collectively, Hailiang Vietnam/Hongkong Hailiang), the non-examined, separate rate companies, and the Vietnam-wide entity.² On August 5, 2021, the ITC notified Commerce of its final affirmative determination that an industry in the United States is materially injured by reason of LTFV imports of copper pipe and tube from Vietnam, within the meaning of section 735(b)(1)(A)(i) of the Act.³

Scope of the Order

The products covered by this order are copper pipe and tube from Vietnam. For a complete description of the scope of the order, see the appendix to this notice.

Order

In accordance with sections 735(b)(1)(A)(i) and 735(d) of the Act, the ITC notified Commerce of its final determination that an industry in the United States is materially injured by reason of imports of copper pipe and tube from Vietnam.⁴ Therefore, Commerce is issuing this order in accordance with section 735(c)(2) of the Act. Because Commerce has determined that sales of copper pipe and tube from Vietnam were made at LTFV, and the ITC determined that imports of copper pipe and tube from Vietnam are materially injuring a U.S. industry, unliquidated entries of such merchandise from Vietnam entered, or withdrawn from warehouse, for consumption are subject to the assessment of antidumping duties.
